PROXY STATEMENT FOR THE EXEGENICS INC.
2003 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

We sent you this proxy statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the 2003 annual meeting of stockholders and any adjournments of the meeting. This proxy statement summarizes the information you need to know to vote at the annual meeting. You do not need to attend the annual meeting to vote your shares. Instead, you may vote your shares by marking, signing, dating and returning the enclosed proxy card. In addition, certain of you may be able to vote your shares either via the Internet or by telephone.

On April 15, 2003 we began sending this proxy statement, the attached

notice of annual meeting and the enclosed proxy card to all stockholders entitled to vote at the meeting. Only stockholders who owned our common stock or series A preferred stock at the close of business on April 8, 2003 are entitled to vote at the annual meeting. On this record date, there were 16,184,486 shares of our common stock outstanding and 910,822 shares of our series A preferred stock outstanding. Our common stock and series A preferred stock are our only classes of voting stock. We are also sending, along with this proxy statement, our 2003 annual report, which includes our financial statements for the fiscal year ended December 31, 2002.

HOW MANY VOTES DO I HAVE?

Each share of our common stock and series A preferred stock that you own entitles you to one vote.

HOW DO I VOTE?

You may vote by signing and mailing your proxy card, or according to the instructions on your proxy card.

HOW DO I VOTE BY PROXY?

Whether you plan to attend the annual meeting or not, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the annual meeting and vote.

If you properly fill in your proxy card and send it to us in time, your "proxy" (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND THAT I VOTE ON THE PROPOSALS?

The Board of Directors recommends that you vote as follows:

- "FOR" the election of the nominees for director; and
- "FOR" the ratification of the selection of independent auditors for our fiscal year ending December 31, 2003.

2

If any other matter is presented, your proxyholder will vote your shares in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the annual meeting, other than those discussed in this proxy statement.

MAY I REVOKE MY PROXY?

If you give us your proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in any one of the following ways:

- You may send in another proxy at a later date;
- If telephone or Internet voting instructions are included with your proxy card, you may vote either via the Internet or by telephone at a later date;
- You may notify our Secretary in writing before the annual meeting that you have revoked your proxy; or
- You may vote in person at the annual meeting.

HOW DO I VOTE IN PERSON?

If you plan to attend the annual meeting and vote in person, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you were the beneficial owner of the shares on April 8, 2003, the record date for voting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

PROPOSAL 1: ELECT DIRECTORS The six nominees for director who receive the most votes (also known as a "plurality" of the votes) will be elected.

PROPOSAL 2: RATIFY SELECTION OF AUDITORS The affirmative vote of a majority of the votes present or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of independent auditors.

WHAT IS THE EFFECT OF BROKER NON-VOTES, WITHHOLDINGS AND ABSTENTIONS?

- Broker Non-Votes: If a broker that is a record holder of stock returns a signed proxy, the shares of stock held by such broker will be considered

present at the meeting and will be counted toward establishing a quorum, whether or not the broker has discretionary authority to vote on each matter. If a signed proxy is received from a broker that does not have discretionary authority to vote on one or more matters, the proxy will be considered a "broker non-vote" for that matter. Broker non-votes will have no effect on the outcome of the election of directors and the ratification of the appointment of the auditors for the current fiscal year.

- Withholdings: Withholding authority to vote for a nominee for director will have no effect on the outcome of the vote.

- Abstentions: Because abstentions are treated as shares present or represented and entitled to vote at the annual meeting, abstentions will have the same effect as votes against the proposal.

IS VOTING CONFIDENTIAL?

We will keep all the proxies, ballots and voting tabulations private. We only let our Inspector of Election examine these documents. We will not disclose your vote to management unless it is necessary to meet legal requirements. We will, however, forward to management any written comments you make, on the proxy card or elsewhere.

3

WHAT ARE THE COSTS OF SOLICITING THESE PROXIES?

We will pay all of the costs of soliciting these proxies. Our directors, officers and employees may solicit proxies by mail, telephone, telegram, telex, fax, email and in person. No additional compensation will be paid for such solicitation. We will also ask banks, brokers and other institutions, nominees and fiduciaries to forward these proxy materials to their principals and to obtain authority to execute proxies. We will then reimburse them for their expenses. We have engaged Georgeson Shareholder Communications, Inc. to assist with the solicitation of proxies for an estimated fee of \$5,000, plus reasonable out-of-pocket expenses.

WHAT CONSTITUTES A QUORUM FOR THE MEETING?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock is necessary to constitute a quorum at the meeting. Votes of stockholders of record who are present at the meeting in person or by proxy, abstentions, and broker non-votes are counted for purposes of determining whether a quorum exists.

ATTENDING THE ANNUAL MEETING

The annual meeting will be held at 9:00 a.m. on May 19, 2003 at our office, located at 2110 Research Row, Dallas, Texas 75235. When you arrive at the our office, signs will direct you to the appropriate meeting room. You need not attend the annual meeting in order to vote.

VOTING

To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the annual meeting in person. Most stockholders have three options for submitting their vote: (1) via the Internet at the Web site address listed on your proxy card, (2) by phone (please see your proxy card for instructions) and (3) by mail, using the paper proxy card. When you vote via the Internet or by phone, your vote is recorded immediately. We encourage our stockholders to vote using these methods whenever possible. If you attend the annual meeting, you may also submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the annual meeting.

DISSENTERS' RIGHTS

Under Delaware law, stockholders are not entitled to dissenters' rights of appraisal on any proposal referred to herein.

HOUSEHOLDING OF ANNUAL DISCLOSURE DOCUMENTS

In December 2000, the Securities and Exchange Commission adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or your broker to send a single set of our annual report and proxy statement to any household at which two or more of our shareholders reside, if we or your broker believe that the shareholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Each shareholder will continue to receive a separate proxy card or voting instruction card.

If your household received a single set of disclosure documents this year, but you would prefer to receive your own copy, such requests should be addressed

to the Office of the Secretary, eXegenics Inc., 2110 Research Row, Dallas, TX 75235, and our telephone number at such office is 214-358-2000. You may also contact our transfer agent, American Stock Transfer & Trust Company, by calling their toll free number, 1-800-937-5449.

4

If you do not wish to participate in "householding" and would like to receive your own set of our annual disclosure documents in future years, follow the instructions described below. Conversely, if you share an address with another eXegenics shareholder and, together, both of you would like to receive only a single set of our annual disclosure documents, follow these instructions:

- If your eXegenics shares are registered in your own name, please contact our transfer agent, American Stock Transfer & Trust Company, and inform them of your request by calling them at 1-800-937-5449 or writing them at 59 Maiden Lane, Plaza Level, New York, New York 10038, Attention: Shareholder Services.
- If a broker or other nominee holds your eXegenics shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The table below shows the number of shares of our common stock and series A preferred stock beneficially owned as of March 31, 2003 by the following persons:

- each stockholder known by us to beneficially own more than 5% of the outstanding shares of either the common stock or series A preferred stock;
- each current member of the Board of Directors;
- our President and Chief Executive Officer and each of our next most highly compensated executive officers who earned more than \$100,000 during the fiscal year ended December 31, 2002, collectively referred to below as our named executive officers; and
- and all directors and named executive officers as a group.

To our knowledge and unless otherwise indicated, each person in the table has sole voting power and investment power, or shares such power with his or her spouse, with respect to all shares of capital stock listed as owned by such person.

5

The number of shares beneficially owned by each stockholder is determined under the rules promulgated by the SEC. The information is not necessarily indicative of beneficial ownership for any other purpose. Under these rules, beneficial ownership includes any shares as to which the individual has sole or shared voting power or investment power and any shares as to which the individual has the right to acquire beneficial ownership within 60 days after March 31, 2003 through the exercise of any option, warrant or other right. The inclusion in the following table of those shares, however, does not constitute an admission that the named stockholder is a direct or indirect beneficial owner of those shares.

COMMITTEES OF THE BOARD OF DIRECTORS AND MEETINGS

Committee Structure: During fiscal 2002, our Board had three permanent committees (Audit Committee, Compensation and Organization Committee and Nominating Committee) and one ad hoc committee (Business Development Task Force). Subsequent to the enactment of the Sarbanes-Oxley Act of 2002, our Board determined it to be in the best interest of our shareholders to begin reorganizing the Board's committee structure in anticipation of implementation of provisions of Sarbanes-Oxley that will address said committees. It is anticipated that effective immediately after the Annual Meeting, the Board's committee structure will be reorganized such that the Compensation and Organization Committee and the Nominating Committee will be eliminated and replaced, respectively, with a new Compensation Committee and a Nominating and Governance Committee. The Audit Committee and the Business Development Task Force were unaffected by this reorganization.

Meeting Attendance. During the fiscal year ended December 31, 2002, there were 14 meetings of our Board of Directors, and the various committees of the Board met a total of 13 times. No director attended fewer than 75% of the total number of meetings of the Board and of committees of the Board on which he served during fiscal 2002.

Audit Committee. Our Audit Committee met five times during fiscal 2002. This committee has three members, Irwin C. Gerson (Chairman), Ira J. Gelb and Walter Lovenberg. Our Audit Committee reviews the engagement of our independent accountants, reviews annual financial statements, considers matters relating to accounting policy and internal controls and reviews the scope of annual audits. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement. Mr. Gerson, Dr. Lovenberg and Dr. Gelb are "independent" as defined by current National Association of Securities Dealers' listing standards. The Board of Directors has adopted and amended a written charter for the Audit Committee, which is attached hereto as Appendix A. The report of the Audit Committee is set forth elsewhere in this proxy statement.

Compensation and Organization Committee. Our Compensation and Organization Committee met three times during fiscal 2002, and had three members: Gary E. Frashier (Chairman), Robert J. Easton and Irwin C. Gerson. The Compensation and Organization Committee reviews, approves and makes recommenda-

tions regarding our compensation policies, practices and procedures to ensure that legal and fiduciary responsibilities of the Board of Directors are carried out and that such policies, practices and procedures contribute to our success. Please see the report of the Compensation Committee set forth elsewhere in this proxy statement. The Board anticipates that immediately following the Annual Meeting, a new Compensation Committee will replace the existing Compensation and Organization Committee.

Nominating Committee. During the last fiscal year, we had a Nominating Committee, which consisted of Gary E. Frashier (Chairman), Ira J. Gelb and Walter Lovenberg. The Committee held no meetings during fiscal 2002. The committee's role, following consultation with all other members of the Board of Directors, is to make recommendations to the full Board as to the size and composition of the Board and to make recommendations as to particular nominees. Immediately following the Annual Meeting, the Board expects the Nominating Committee to be replaced by a Nominating and Governance Committee. Our Nominating and Governance Committee will consider nominees recommended by stockholders. Stockholders may submit recommendations with regard to nominees for election to the Board of Directors by notice in writing, received by our Secretary at least 55 days prior to the anniversary date of the date in the prior year on which we first mailed our proxy materials for the prior year's annual meeting of shareholders, but not earlier than 75 days prior to that date. Each notice of nomination by a shareholder must set forth (i) such information relating to a nominee that is required by Regulation 14A under the Securities Exchange Act of 1934, (ii) the nominee's written consent to being named as a nominee and to serving as a director, if elected, (iii) the name, address and

eXegenics stock ownership information of the stockholder giving notice and the beneficial owner, if any, on whose behalf the nomination is made, and (iv) whether such stockholder or beneficial owner intends to deliver proxy materials to a sufficient number of stockholders required to elect such nominee.

Compensation Committee Interlocks and Insider Participation. None of the members of our current Compensation Committee serve as a member of the Board of Directors or Compensation Committee of any entity that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee. Please see the section entitled "Certain Relationships and Related Transactions" set forth elsewhere in this proxy statement for a description of transactions between us and Messrs. Gary E. Frashier and Robert J. Easton.

Business Development Task Force. Our Business Development Task Force met five times during fiscal 2002. The committee has five members, Ronald L. Goode, Gary E. Frashier, Robert J. Easton, Walter Lovenberg and Ira J. Gelb. This committee reviews potential business alliances.

COMPENSATION OF DIRECTORS

In December, 2002, the Directors agreed to a reduction of approximately 33% in their compensation for the monthly service fee and the meeting fees, from \$1,500 a month to \$1,000. We currently pay each non-employee director a monthly fee of \$1,000 for service as a director, plus \$1,000 for each day of a Board of Directors meeting attended, \$1,000 for each Board of Directors conference call meeting in which he participated, \$750 for each committee meeting attended and \$750 for each committee conference call meeting in which he participated. We reimburse directors for all expenses incurred for attending our Board of Director meetings and committee meetings.

Directors are eligible to participate in our Amended and Restated 2000 Stock Option Plan, or the Plan. The Board of Directors previously approved an option grant schedule for non-employee directors that provides for an option to purchase 50,000 shares of our common stock upon first joining the Board and then annual grants to be awarded at the beginning of each calendar year as follows: an option to purchase 25,000 shares of our common stock until a total of 150,000 options is reached, an option to purchase 15,000 shares of our common stock until a total of 200,000 options is reached, and then an option to purchase 10,000 shares of our common stock every year thereafter. The initial grant of an option to purchase 50,000 shares of our common stock has an exercise price equivalent to the fair market value of our common stock on the date of issuance, while each annual option grant has an exercise price equivalent to the fair market value of our common stock on the second Friday of January of the year in which it was granted. In addition, directors are eligible to receive other periodic grants of options from time to time under the Plan. Options granted under the Plan to

11

non-employee directors are immediately exercisable on the date of grant. Options to purchase a total of 90,000 shares were granted under this formula during fiscal 2002 to Robert J. Easton, Gary E. Frashier, Ira J. Gelb, Irwin C. Gerson and Walter M. Lovenberg. Options granted during fiscal 2002 to Arthur P. Bollon and Ronald L. Goode, Ph.D. are reported under "Executive Compensation -- Option Grants in Last Fiscal Year" set forth elsewhere in this proxy statement.

We paid Easton Associates L.L.C., of which Robert J. Easton, one of our directors, is the Chairman, \$62,500 during fiscal 2002 for consulting services for strategy and market planning services. This payment is in addition to the remuneration Mr. Easton receives as a director.

Gary E. Frashier is also employed as a consultant by us in addition to his responsibilities as a director. Mr. Frashier's total remuneration for consulting services during fiscal 2002 was \$67,500. This payment is in addition to the remuneration Mr. Frashier received as a director. The agreement continues until terminated by either party. Mr. Frashier is not a candidate for re-election as a Director.

- (1)(*) The options are non-qualified stock options, granted pursuant to the Company's Amended and Restated 2000 Stock Option Plan. Options to purchase 100,000 shares of Common Stock, at an exercise price of \$1.93 per share, vest annually in three equal installments commencing one year from the date of grant, which was March 4, 2002, and expire on March 3, 2012. Options to purchase 200,000 shares of Common Stock, at an exercise price of \$0.54 per share, vested at the time of the grant and expire on December 9, 2012.
- (2) The options are non-qualified stock options, granted pursuant to the Company's Amended and Restated 2000 Stock Option Plan. Options to purchase 25,000 shares of Common Stock, at an exercise price of \$1.77 per share, vest annually in three equal installments commencing one year from the date of grant.
- (3)(*) The options are non-qualified stock options, granted pursuant to the Company's Amended and Restated 2000 Stock Option Plan. Options to purchase 15,000 shares of Common Stock, at an exercise price of \$1.77 per share, vest annually in three equal installments commencing one year from the date of grant, which was March 4, 2002, and expire on March 3, 2012. Options to purchase 20,000 shares of Common Stock, at an exercise price of \$0.54 per share, vested at the time of the grant and expire on December 9, 2012.
- (4) The options are non-qualified stock options, granted pursuant to the Company's Amended and Restated 2000 Stock Option Plan. Options to purchase 15,000 shares of Common Stock, at an exercise price of \$1.77 per share, vest annually in three equal installments commencing one year from the date of grant.
- (5) In accordance with the rules of the SEC, we show in these columns the potential realizable value over the term of the option (the period from the grant date to the expiration date). We calculate this assuming that the fair market value of our common stock on the date of grant appreciates at the indicated annual rate, 5% and 10% compounded annually, for the entire term of the option and that the option is exercised and sold on the last day of its term for the appreciated stock price. These amounts are based on assumed rates of appreciation and do not represent an estimate of our future stock price. Actual gains, if any, on stock option exercises will depend on the future performance of our common stock, the option holder's continued employment with us through the option exercise period, and the date on which the option is exercised.

AGGREGATED OPTION EXERCISES IN LAST FISCAL YEAR AND FISCAL YEAR-END OPTION VALUES

The following table shows information regarding exercises of options to purchase our common stock by each executive officer named in the Summary Compensation Table during the fiscal year ended December 31, 2002. The table also shows the aggregate value of options held by each executive officer named in the Summary Compensation Table as of December 31, 2002. The value of the unexercised in-the-money options at fiscal year end is based on a value of \$0.35 per share, the closing price of our stock on the Nasdaq SmallCap

14

Market on December 31, 2002 (the last trading day prior to the fiscal year end), less the per share exercise price.

- (1) Amounts shown in this column do not necessarily represent actual value realized from the sale of the shares acquired upon exercise of the option because in many cases the shares are not sold on exercise but continue to be

held by the executive officer exercising the option. The amounts shown represent the difference between the option exercise price and the market price on the date of exercise, which is the amount that would have been realized if the shares had been sold immediately upon exercise.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

This report is submitted by the Compensation Committee, which is responsible for establishing and administering our executive compensation policies and stock option plans. This committee is composed of Gary E. Frashier, Robert J. Easton, Joseph M. Davie and Irwin C. Gerson, none of whom is an employee of ours. This report addresses the compensation policies for the fiscal year ended December 31, 2002 as they affected Ronald L. Goode, Ph.D., in his capacity as President and Chief Executive Officer, and our other executive officers.

The Company strives to apply a uniform philosophy to compensation for all of its employees, including the members of its senior management. This philosophy is based on the premise that the achievements of the Company result from the combined and coordinated efforts of all employees working toward common goals and objectives.

The goals of the Company's compensation program are to align remuneration with business objectives and performance, and to enable the Company to retain and competitively reward officers who contribute to the long-term success of the Company. The Company's compensation program for officers is based on the following principles, which are applicable to compensation decisions for all employees of the Company. The Company attempts to pay its officers competitively in order to retain the most capable people in the industry. Information with respect to levels of compensation being paid by comparable companies is obtained from various publications and surveys.

During the last fiscal year, the compensation of officers consisted principally of salary. Salary levels have been set based upon historical levels, amounts being paid by comparable companies and performance.

In consideration for his services as the Company's President and Chief Executive Officer for the fiscal year ended December 31, 2002, Dr. Ronald L. Goode received compensation consisting of a salary of \$373,333, a bonus of \$105,000 payable in January 2003, \$12,000 for a car allowance, and stock options to purchase 300,000 shares of the Company's common stock at a weighted average exercise price of \$1.00 per share. As the Company's President and Chief Executive Officer, Dr. Goode's scientific expertise, managerial efforts, ingenuity and leadership are a vital factor to the Company's future success. During fiscal 2002, Dr. Goode was instrumental in the Company's efforts to install systematic approaches to all Company processes, including R&D, to develop a new business strategy and to explore potential merger candidates. The Compensation Committee believes Dr. Goode has managed the Company exceptionally well in a challenging business climate and has continued to move the Company toward its long-term objectives. Dr. Goode's compensation is consistent with the range of salary levels received by his counterparts at comparable companies.

GARY E. FRASHIER

In December 2000, we entered into an agreement with Gary E. Frashier, chairman of our Board of Directors, for consulting services. Mr. Frashier was paid \$67,500 for his consulting services during fiscal 2002.

RONALD L. GOODE, PH.D.

In May 2001, we sold 100,000 shares of common stock to our president and chief executive officer, Ronald L. Goode, Ph.D., for a purchase price of \$3.25 per share, the fair market value at the time of the transaction. Dr. Goode paid the purchase price of \$325,000 with \$25,000 in cash and \$300,000 by issuing a five-year promissory note to us bearing interest at a rate of 4.71% per annum, payable semi-annually. To date, Dr. Goode is current on all loan payments and has made \$22,325 in interest payments as of December 31, 2002.

ROAN/MEYERS ASSOCIATES, L.P.

On August 13, 2002 we entered into an agreement with Roan/Meyers Associates, L.P. for financial advisory services. Pursuant to the terms of this agreement, we paid Roan/Meyers Associates a retainer of \$50,000 and must pay them \$6,500 per month through July 2003. In addition, we issued them warrants to purchase 125,000 shares of our common stock at a purchase price of \$1.00 per share, with an expiration date of August 13, 2007, and additional warrants to purchase 125,000 shares of our common stock at a purchase price of \$0.55 per share, with an expiration date of August 13, 2007. Roan/Meyers Associates is also entitled to reimbursement for reasonable out-of-pocket expenses.

PROPOSAL 1:

ELECTION OF DIRECTORS

On March 10, 2003 the Board of Directors nominated Joseph M. Davie, Robert J. Easton, Ira J. Gelb, Irwin C. Gerson, Ronald L. Goode and Walter M. Lovenberg for election at the Annual Meeting. If they are elected, they will serve on our Board of Directors until the 2004 Annual Meeting of Stockholders and until their respective successors have been elected and qualified.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted FOR the election as directors of

Joseph M. Davie, Robert J. Easton, Ira J. Gelb, Irwin C. Gerson, Ronald L. Goode and Walter M. Lovenberg. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in his place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

The approval by a plurality of votes cast is required for the election of directors; therefore, the six nominees receiving the most votes will be elected.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF JOSEPH M. DAVIE, ROBERT J. EASTON, IRA J. GELB, IRWIN C. GERSON, RONALD L. GOODE AND WALTER M. LOVENBERG AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR THEREOF UNLESS A STOCKHOLDER HAS INDICATED OTHERWISE ON THE PROXY.

PROPOSAL 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors has appointed Ernst & Young LLP, independent public accountants, to audit our financial statements for the fiscal year ending December 31, 2003. The Board proposes that the stockholders ratify this appointment. Ernst & Young LLP audited our financial statements for the fiscal year ended December 31, 2002. We expect that representatives of Ernst & Young LLP will be present at the meeting, will be able to make a statement if they so desire, and will be available to respond to appropriate questions.

Audit fees were \$88,000 and \$95,000 for the fiscal years ended December 31, 2001 and 2002, respectively.

(2) Audit related fees consisted principally of \$49,000 and \$131,000 for due diligence for the fiscal years ended December 31, 2001 and 2002, respectively.

(3) Tax fees consisted principally of \$10,000 for tax compliance, tax advice, and tax planning for the fiscal years ended December 31, 2001 and 2002, respectively.

In the event the stockholders do not ratify the appointment of Ernst & Young LLP as our independent public accountants, the Board of Directors will reconsider its appointment.

The affirmative vote of a majority of the shares present or represented and entitled to vote at the Meeting is required to ratify the appointment of the independent public accountants.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT PUBLIC ACCOUNTANTS, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

OTHER MATTERS

The Board of Directors knows of no other business which will be presented to the Annual Meeting. If any other business is properly brought before the Annual Meeting, proxies in the enclosed form will be voted in accordance with the judgment of the persons voting the proxies.
