Item 1.01 Entry into a Material Definitive Agreement.

On October 14, 2026, OPKO Health, Inc., a Delaware corporation (“OPKO”), its wholly owned subsidiary, BioReference Health, LLC (“BioReference” and together with OPKO, “Seller”), and Laboratory Corporation of America Holdings, a Delaware corporation (“Buyer”), entered into an Asset Purchase Agreement (the “Purchase Agreement”). Pursuant to the Purchase Agreement, Seller has agreed to sell and assign to Buyer, and Buyer has agreed to purchase and assume from Seller, certain assets of BioReference’s clinical and anatomic pathology laboratory testing business, including assets focused on clinical and women’s health testing services, urology, corrections and Seller’s proprietary 4Kscore prostate cancer test (collectively, the “Business”), together with certain liabilities related to the Business (the “Transaction”). Buyer has agreed to pay Seller an aggregate purchase price of \$722,000,000 in cash upon closing of the Transaction, subject to certain upward or downward adjustments (if any) based on Business revenues at the closing, plus up to \$150,000,000 in cash over a period of up to ten years based on the revenue generated from sales of the 4Kscore prostate cancer test by Buyer.

Consummation of the Transaction is subject to the satisfaction or waiver of customary closing conditions, including the accuracy of the parties’ respective representations and warranties (subject to certain exceptions), the performance in all material respects of the parties’ respective covenants under the Purchase Agreement and the termination or expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (“HSR Clearance”). Consummation of the Transaction is not subject to a financing condition. The Purchase Agreement contains customary termination rights, including that the parties may terminate the Purchase Agreement if the Transaction has not closed by April 14, 2027 (which may be extended by mutual agreement of the parties), or if any governmental authority issues any order, injunction, or judgment that restrains, enjoins or otherwise prohibits or makes the Transaction illegal. Additionally, the Purchase Agreement provides that, upon its termination under specified circumstances related to the failure to obtain HSR Clearance or other required governmental approvals, Buyer would be required to pay to Seller a termination fee of \$28,880,000.

The Purchase Agreement contains customary representations, warranties, covenants and indemnification provisions for a transaction of this size and type, including, among other things, customary covenants relating to (i) the conduct of the Business prior to the closing of the Transaction, and (ii) the efforts of the parties to cause the Transaction to be consummated, including obtaining certain consents and regulatory approvals.

Seller has agreed not to initiate, facilitate, solicit or encourage any proposal or offers from any third party relating to any merger, sale of substantial assets or similar transactions to the Transaction, or engage in, continue or otherwise participate in any discussions, communications or negotiations regarding an alternative transaction with respect to the Transaction.

The foregoing description of the Purchase Agreement is only a summary and is qualified in its entirety by reference to the complete text of the Purchase Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference herein.

The Purchase Agreement is filed with this Current Report on Form 8-K to provide security holders with information regarding its terms. It is not intended to provide any other factual information about Buyer, Seller or the Business. The representations, warranties and covenants contained in the Purchase Agreement were made solely for purposes of such agreement and as of specific dates, are solely for the benefit of the parties to the Purchase Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to security holders. Security holders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of Buyer, Seller or the Business. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in OPKO’s public disclosures, except to the extent required by law.

Buyer shall deposit the Escrow Deposit in accordance with Section 1.10.

(b) At the Agreement Date and eight (8) Business Days after the end of each full calendar month during the Interim Period, the Seller Parties shall deliver to Buyer, consistent with applicable Law, a schedule (the "Business Revenue Schedule") setting forth for the trailing three (3) month period ending on the last calendar day of the most recent prior month, (i) the Net Business Revenue attributable to each Business Customer, (ii) the Net Business Revenue attributable to all Business Customers in the aggregate (such amount in clause (ii), the "Business Revenue Amount") and (iii) the Adjusted Business Revenue Amount and the underlying calculations and supporting documents for such Adjusted Business Revenue Amount (collectively, the "Revenue Calculations"). Subject to Antitrust Laws and the terms of any "clean team" agreement among the parties governing the sharing of competitively sensitive information, each Seller Party shall provide Buyer and its advisors with access during normal business hours to the books, records and any other documents or information of the Business reasonably requested by

Buyer related to the Business Revenue Schedule and the Revenue Calculations, and Seller Parties shall, upon reasonable prior notice and solely for purposes related to the determination of the Revenue Calculations, make reasonably available to Buyer relevant personnel of the Seller Parties who were involved in the Seller Parties' preparation of the Business Revenue Schedule and the Revenue Calculations.

(c) The Adjusted Closing Business Revenue amount used for purposes of calculating the Closing Purchase Price in accordance with the Purchase Price adjustment set forth in Section 1.5(d) shall be mutually agreed between Buyer and Seller prior to the Closing. If the Buyer and Seller cannot mutually agree on the Adjusted Closing Business Revenue amount prior to the Closing, then the Adjusted Closing Business Revenue amount used for purposes of calculating the Closing Purchase Price shall be the amount determined by Buyer in its good faith discretion and, at the Closing, such Closing Purchase Price shall be delivered to Seller in accordance with Section 1.5(a).

(i) If Buyer and Seller are unable to mutually agree on the Adjusted Closing Business Revenue amount prior to the Closing, then, promptly after the Closing Date, the parties shall jointly retain the CPA Firm, which, acting as an expert and not as an arbitrator, shall determine, on the basis set forth herein and in accordance with this Section 1.5(c), and only with respect to what extent, if any, the Closing Purchase Price requires adjustment with respect to the Revenue Calculations. Buyer and Seller shall instruct the CPA Firm to deliver its written determination to Buyer and Seller no later than sixty (60) days after engagement of the CPA Firm for resolution. Promptly after the engagement of the CPA Firm, Buyer shall specify in writing to the CPA Firm and Seller the amount of Buyer's computation of the Closing Purchase Price and underlying Revenue Calculations ("Buyer's Revenue Position"), and Seller shall specify in writing to the CPA Firm and to Buyer the amount of its computation of the Closing Purchase Price and underlying Revenue Calculations (the "Seller's Revenue Position"). The CPA Firm's determination shall be conclusive and binding upon Buyer and Seller. In resolving any disputed item, the CPA Firm may not assign a value to any disputed item that is greater than the greatest value claimed by Buyer or Seller at the time the CPA Firm is retained or less than the smallest value claimed for the disputed item by Buyer or Seller at such time. The scope of the dispute(s) to be resolved by the CPA Firm shall be limited to whether the calculation of the Closing Purchase Price was conducted in a manner that was mathematically accurate and applied only the provisions and definitions of this Agreement applicable to the Closing Purchase Price and the Revenue Calculations, in each case as set forth in this Agreement, and the CPA Firm is not permitted to make any other determination unless jointly requested in writing by Buyer and Seller. The fees and disbursements of the CPA Firm (collectively, the "Closing Purchase Price Dispute Expenses") shall be borne (i) by Seller in that proportion equal to a fraction (expressed as a percentage) the numerator of which is equal to Seller's Position minus the Closing Purchase Price determined by the CPA Firm, and the denominator of which is equal to Seller's Position minus Buyer's Position and (ii) by Buyer in that proportion equal to a fraction (expressed as a percentage) equal to one (1) minus the fraction described in clause (i). For example, if Seller's Position is that the Closing Purchase Price should be \$150,000 and the Buyer's Position is that the Closing Purchase Price should be \$100,000, the CPA Firm determines that the Closing Purchase Price should be \$130,000 and the Closing Purchase Price Dispute Expenses are \$10,000, then (i) Seller shall pay \$4,000 (40%) of the Closing Purchase Price Dispute Expenses and (ii) Buyer shall pay \$6,000 (60%) of the Closing Purchase Price Dispute Expenses. Buyer and Seller shall cooperate with the CPA Firm

during its resolution of the disagreement and make readily available to the CPA Firm all relevant personnel involved in the preparation of the Business Revenue Schedule, the Revenue Calculations or the Closing Purchase Price, as applicable, and any books and records reasonably related to the amounts set forth in the Business Revenue Schedule, the Buyer's Revenue Position, or the Seller's Revenue Position and all other items reasonably requested by the CPA Firm in connection therewith.

(ii) Following the time that the Adjusted Closing Business Revenue has been finally determined pursuant to this Section 1.5(c) (such finally determined amount, the "Final Adjusted Closing Business Revenue"), the Closing Purchase Price shall (for the purposes of this Section 1.5(c)) be recalculated pursuant to Section 1.5(a) and Section 1.5(d) utilizing the Final Adjusted Closing Business Revenue in lieu of the Adjusted Closing Business Revenue (such recalculated Closing Purchase Price, the "Final Purchase Price") and:

(A) if (I) the Final Purchase Price is greater than (II) the Closing Purchase Price (such excess of (I) over (II), the "Purchase Price Surplus"), then Buyer shall, within ten (10) Business Days after the Adjusted Closing Business Revenue is finally determined pursuant to this Section 1.5(c), pay to Seller an amount equal to the Purchase Price Surplus;

(B) if the Final Purchase Price equals the Closing Purchase Price, then no additional payments from either party are required; or

(C) if (I) the Final Purchase Price is less than (II) the Closing Purchase Price (such deficit of (I) relative to (II), the "Purchase Price Deficit"), then Seller shall, within ten (10) Business Days after the Adjusted Closing Business Revenue is finally determined pursuant to this Section 1.5(c), pay to Buyer an amount equal to the Purchase Price Deficit.

(iii) Any payment required to be made pursuant to this Section 1.5(c) shall be made by wire transfer of immediately available funds to an account designated in writing by the recipient of such payment at least two (2) Business Days prior to such transfer.

(d) The Purchase Price shall be adjusted as follows:

(i) If the Adjusted Closing Business Revenue is less than \$[***], then the Purchase Price shall be reduced by the amount equal to the sum of (A) ten percent (10%) of the Purchase Price *plus* (B) the product of (I) the Purchase Price, *multiplied by* (II) an amount equal to (x) 0.8 *minus* (y) the Adjustment Ratio, *multiplied by* (III) seventy-five percent (75%) (expressed as a decimal).

(ii) If the Adjusted Closing Business Revenue is greater than \$[***] but less than \$[***] (the "Lower Threshold Business Revenue"), then the Purchase Price shall be reduced by an amount equal to the quotient of (A)(I) the Purchase Price *multiplied by* (II) one (1) *minus* the Adjustment Ratio, *divided by* (B) two (2) (such amounts as described in Section 1.5(d)(i) and Section 1.5(d)(ii), the "Business Retention Reduction Amount").

(iii) If the Adjusted Closing Business Revenue is greater than \$[***] (the "Upper Threshold Business Revenue"), then the Purchase Price shall be increased by an amount equal to the lesser of: (x) the quotient of (A)(I) the Purchase Price *multiplied by* (II) the Adjustment

Ratio *minus* one (1) *divided by* (B) two (2) and (y) \$[***] (such amount, the “Business Retention Increase Amount”).

(iv) If the Adjusted Closing Business Revenue is equal to or greater than the Lower Threshold Business Revenue but less than or equal to the Upper Threshold Business Revenue, then the Purchase Price shall not be adjusted.

1.6 4Kscore Payments.

(a) 4Kscore Payment.

(i) If the Closing occurs, as additional consideration for the transactions contemplated hereby, during the 4Kscore Term, Seller shall be entitled to receive, and Buyer shall pay or cause to be paid to Seller, the 4Kscore Payments for each 4Kscore Period when and if required to be paid in accordance with the provisions of this Agreement.

(ii) Certain Definitions:

(A) “4Kscore Payment” means, with respect to each 4Kscore Period, an amount in cash equal to Fifteen Percent (15%) of the excess (if any) of (x) the positive difference between (A) all Cash Receipts and (B) the aggregate amount of all Discounts and Rebates over (y) [***], in each case with respect to such 4Kscore Period; provided that notwithstanding the foregoing in no event shall the aggregate amount of all 4Kscore Payments during the 4Kscore Term exceed an aggregate amount equal to One Hundred Fifty Million Dollars (\$150,000,000).

(B) “4Kscore Period” means, during the 4Kscore Term, each consecutive twelve (12)-month period commencing on and including the first day of the month immediately following the Closing Date.

(C) “4Kscore Term” means the period commencing on the first day of the month immediately following the Closing Date and ending on the earliest of (i) the ten (10)-year anniversary of the Closing Date, and (ii) the date on which the aggregate amount of all 4Kscore Payments equals One Hundred Fifty Million Dollars (\$150,000,000).

(D) “Cash Receipts” means all cash and cash equivalents actually received by Buyer, or any of its Affiliates, that is attributable to or arising from sales of the 4Kscore Test actually collected during the applicable 4Kscore Period, including: (i) all amounts collected from customers in respect of the sale of the 4Kscore Test or the provision of services related thereto and (ii) all amounts received pursuant to any licensing, royalty, or similar arrangement relating to the 4Kscore Test, in each case calculated in accordance with GAAP and consistent with the accounting principles, policies, procedures and practices adopted in the preparation of the audited financial statements of Labcorp Holdings Inc. (“Buyer Parent”);

(E) “Discounts and Rebates” means only those reductions or credits granted by Buyer or any of its Affiliates to customers of the 4Kscore Test that: (i) are specifically identified and documented in the applicable customer contract or purchase order as of the date such contract or purchase order is entered into or (ii) are granted in the ordinary course of

business and consistent with Buyer Parent's discount and rebate practices during the applicable 4Kscore Period, in each case calculated in accordance with GAAP and consistent with the accounting principles, policies, procedures and practices adopted in the preparation of the audited financial statements of Buyer Parent.

(b) Procedures Applicable to the Determination of the 4Kscore Payment:

(i) On or before the date that is sixty (60) days after the last day of each 4Kscore Period, Buyer shall prepare and deliver to Seller a written statement (the "4Kscore Statement") setting forth in reasonable detail Buyer's determination of: (i) Cash Receipts, (ii) Discounts and Rebates and (iii) the 4Kscore Payment (collectively, the "Calculations").

(ii) Seller shall have sixty (60) days after receipt of the 4Kscore Statement (the "Review Period") to review the 4Kscore Statement and the Calculations set forth therein. During the Review Period, Buyer shall provide Seller and its advisors with access during normal business hours to the Business's books, records and any other documents or information reasonably requested by Seller reasonably related to the Calculations, and Buyer shall, upon reasonable prior notice and solely for purposes related to the determination of the 4Kscore Statement, the Calculations and the 4Kscore Payment, make reasonably available to Seller relevant personnel of Buyer who were involved in Buyer's preparation of the 4Kscore Statement and the Calculations. Prior to the expiration of the Review Period, Seller may object to any Calculation set forth in the 4Kscore Statement by delivering a written notice of objection (the "Calculation Objection Notice") to Buyer, and such Calculation Objection Notice shall represent all objections of Seller with respect to the Calculations. The Calculation Objection Notice shall specify the items in the 4Kscore Statement disputed by Seller, shall describe in reasonable detail the basis for such objection and the amount in dispute and shall provide reasonable supporting documentation to the extent in Seller's possession.

(iii) If Seller fails to deliver a Calculation Objection Notice to Buyer prior to the expiration of the Review Period, the Calculations set forth in the 4Kscore Statement shall be final and binding on Buyer and Seller. If Seller delivers a Calculation Objection Notice to Buyer prior to the expiration of the Review Period, then Buyer and Seller shall discuss the Calculations and negotiate in good faith for up to thirty (30) days after delivery of the Calculation Objection Notice (the "Discussion Period") to resolve the disputed items and agree upon the resulting amount of the 4Kscore Payment. If Buyer and Seller are unable to resolve the disputed items set forth in the Calculation Objection Notice prior to the expiration of the Discussion Period, then they shall jointly retain the CPA Firm, which, acting as an expert and not as an arbitrator, shall determine, on the basis set forth herein and in accordance with this Section 1.6, and only with respect to those items specifically described in the Calculation Objection Notice on which Buyer and Seller have not agreed, whether and to what extent, if any, the 4Kscore Payment requires adjustment. Buyer and Seller shall instruct the CPA Firm to deliver its written determination to Buyer and Seller no later than sixty (60) days after submission of the matter to the CPA Firm for resolution. Promptly after the retention of the CPA Firm, Buyer shall specify in writing to the CPA Firm and Seller the amount of Buyer's computation of the 4Kscore Payment ("Buyer's Position"), and Seller shall specify in writing to the CPA Firm and to Buyer the amount of its computation of the 4Kscore Payment (the "Seller's Position"). The CPA Firm's determination shall be conclusive and binding upon Buyer and Seller. In resolving any disputed item, the CPA Firm may not assign

a value to any disputed item that is greater than the greatest value claimed by Buyer or Seller at the time the CPA Firm is retained or less than the smallest value claimed for the disputed item by Buyer or Seller at such time. The scope of the dispute(s) to be resolved by the CPA Firm shall be limited to whether the calculation of the 4Kscore Payment was done in a manner that was mathematically accurate and applied only the provisions and definitions of this Agreement applicable to the 4Kscore Payment and the Calculations, in each case as set forth in Section 1.6(a), and the CPA Firm is not permitted to make any other determination unless jointly requested in writing by Buyer and Seller. The fees and disbursements of the CPA Firm (collectively, the “4Kscore Payment Dispute Expenses”) shall be borne (i) by Seller in that proportion equal to a fraction (expressed as a percentage) the numerator of which is equal to Seller’s Position minus the 4Kscore Payment determined by the CPA Firm, and the denominator of which is equal to Seller’s Position minus Buyer’s Position and (ii) by Buyer in that proportion equal to a fraction (expressed as a percentage) equal to one (1) minus the fraction described in clause (i). For example, if Seller’s Position is that the 4Kscore Payment should be \$150,000 and the Buyer’s Position is that the 4Kscore Payment should be \$100,000, the CPA Firm determines that the 4Kscore Payment should be \$130,000 and the 4Kscore Payment Dispute Expenses are \$10,000, then (i) Seller shall pay \$4,000 (40%) of the 4Kscore Payment Dispute Expenses and (ii) Buyer shall pay \$6,000 (60%) of the 4Kscore Payment Dispute Expenses. Buyer and Seller shall cooperate with the CPA Firm during its resolution of the disagreement and make readily available to the CPA Firm all relevant personnel involved in the preparation of the 4Kscore Statement, the Calculations or the Calculation Objection Notice, as applicable, and any books and records reasonably related to the amounts set forth in the 4Kscore Statement and the Calculation Objection Notice and all other items reasonably requested by the CPA Firm in connection therewith.

(c) Upon final determination of the 4Kscore Payment in accordance with Section 1.6(b), Buyer shall promptly, but no later than ten (10) Business Days after such final determination, pay the 4Kscore Payment, if any, to Seller, in cash by wire transfer of immediately available funds to an account designated in writing by Seller.

(d) The parties hereto hereby acknowledge and agree that (i) nothing in this Agreement shall be deemed to limit the freedom of Buyer or any of its Affiliates to operate the Business as Buyer sees fit in its sole discretion, including with respect to the 4Kscore Test and any decision to cease to offer (subject to Section 1.6(i)), delist, modify, change or discontinue the 4Kscore Test, or otherwise make any modifications or structural changes to the Business, including with respect to the structure of the sales force or urology organizations supporting the 4Kscore Test; (ii) any 4Kscore Payment that may be payable pursuant to this Agreement depends upon, among other things, the future performance of the Business, the 4Kscore Test (including Cash Receipts and Discounts and Rebates), physician practices and guidelines, and market conditions, and that neither Buyer nor any of its Affiliates have made or are making, and the Seller Parties have not relied and are not relying on, any representations, warranties or statements (whether contractual or extra-contractual) regarding the current or future performance, probable success or profitability of the Business, the 4Kscore Test (including Cash Receipts and Discounts and Rebates), physician practices and guidelines, market conditions, or any other forward-looking statements, projections or forecasts; and (iii) nothing contained herein guarantees that Seller shall receive any 4Kscore Payment. For the avoidance of doubt, any disputes related to this Section 1.6(d) shall be excluded from the scope of CPA Firm review contemplated by Section 1.6(b) and

resolved in accordance with Section 11.8 or such other alternative mediation or arbitration procedures as the parties may mutually agree.

(e) Each party hereto shall, and shall arrange that their respective accountants, assistants and other advisers shall, keep all information and documents provided to them in connection with the Calculations and any Calculation Objection Notice, Review Period and/or Discussion Period confidential and shall not (except as may be required by applicable Law) use the same for any purpose other than in connection with the 4Kscore Payment and any proceeding to resolve any dispute regarding the 4Kscore Payment.

(f) In the event that Buyer does not comply with its obligation to pay the 4Kscore Payment in accordance with the terms of this Section 1.6, then, without prejudice to any other rights or remedies available to Seller under this Agreement or applicable Law, the undisputed and unpaid portion of the 4Kscore Payment shall accrue interest from and including the payment due date to but excluding the date of actual payment in full, at a rate per annum equal to eight percent (8.00%); provided that no interest shall accrue in the event of any dispute in good faith in accordance with Section 1.6(b).

(g) During the 4Kscore Term, within thirty (30) days following the end of each fiscal quarter (and including, for the avoidance of doubt, within thirty (30) days following the end of the fiscal quarter immediately following the expiration of the 4Kscore Term), Buyer shall provide to Seller a statement setting forth the number of 4Kscore Tests run and the amount of reimbursements therefor, in each case for such fiscal quarter.

(h) During the 4Kscore Term, unless the 4Kscore Test is no longer offered, Buyer shall keep the 4Kscore Test listed in Buyer's directory of test services and make the 4Kscore Test available to its sales representatives as a "focus test", subject to ongoing review and evaluation by Buyer's Chief Scientific Officer, regulatory guidance, and evolving medical guidelines. Pursuant to the treatment of the 4Kscore Test as a "focus test", Buyer shall cause the 4Kscore Test to be subject to key performance indicator tracking and Buyer's clinical specialty sales representatives to undergo sales training with respect thereto and be individually compensated based on sales thereof.

(i) In the event that during the 4Kscore Term, Buyer ceases to offer the 4Kscore Test, at the Seller Parties' election and upon written request from Seller Parent within thirty (30) days of Buyer notifying Seller Parent that Buyer has ceased offering the 4Kscore Test, Buyer shall, within thirty (30) days following any such written request from Seller Parent, transfer, sell, assign and convey to Seller Parent, the tangible assets related to the 4Kscore Test and all Test IP to which Buyer has rights to at such time, for an amount equal to, with respect to the tangible assets, the then-current book value of the tangible assets being transferred to Seller Parent, and with respect to the Test IP, an amount to be mutually agreed by the parties (the "4Kscore Re-Transfer"), and each party shall promptly execute all documents and agreements reasonably requested by the other party to the extent necessary to effect the 4Kscore Re-Transfer, including any license to the Test IP to the extent requested by Buyer; provided that notwithstanding the foregoing, Buyer shall have no obligation to provide the Seller Parties with any rights or access to any Purchased Assets or other assets of Buyer beyond the tangible assets related to the 4Kscore Test and all Test IP to which Buyer has rights to at such time, and any documented third party

costs and expenses reasonably incurred by Buyer and payable to any third party to effect the 4Kscore Re-Transfer shall be borne by the Seller Parties.

1.7 Closing. On the terms and subject to the conditions of this Agreement, the closing of the transactions contemplated by this Agreement (the “Closing”) shall occur electronically through the exchange of documents and signatures (a) on the third (3rd) Business Day following the day on which the last of the conditions to the Closing set forth in Article VII and Article VIII are satisfied or waived (other than those requiring the delivery of a certificate or other document or the taking of other action at the Closing, and subject to the satisfaction or written waiver of such conditions at the Closing) or (b) at such other time, date and place as Buyer and Seller may mutually agree. The date on which the Closing occurs is referred to herein as the “Closing Date.” The Closing shall be deemed to be effective among the parties as of 12:01 a.m. (U.S. Eastern Time) on the Closing Date.

1.8 Closing Deliverables. At the Closing:

(a) Seller Parent and Seller shall deliver or have delivered to Buyer the following:

(i) an Assignment Agreement and Bill of Sale in form and substance mutually acceptable to Buyer and Seller (the “Assignment Agreement”), duly executed by Seller Parent, Seller and their applicable Affiliates;

1.9 Allocation of Purchase Price.

(a) The Closing Purchase Price plus the Assumed Liabilities (to the extent treated as consideration paid by Buyer for applicable Tax purposes) shall be allocated among the Purchased Assets for tax reporting purposes (the "Purchase Price Allocation") in accordance with Section 1060 of the Code and the Treasury Regulations thereunder as set forth in Schedule 1.9 attached hereto (the "Final Allocation Schedule").

(b) If a Final Allocation Schedule has been agreed and the consideration for the Purchased Assets is subsequently adjusted pursuant to the provisions of this Agreement (whether as a result of any indemnification payment, any payment from the Escrow Account, any payment of the 4Kscore Payment, or otherwise) then Buyer shall adjust the Final Allocation Schedule to

reflect such adjustment in accordance with the nature of each such adjustment and in a manner consistent with Section 1060 of the Code and the regulations thereunder and shall deliver the Final Allocation Schedule as so revised to Seller. Any adjustment(s) to the Final Allocation Schedule shall be final unless Seller objects in writing within 30 days of the delivery of the notification of any adjustment(s) to the Purchase Price Allocation. In the event of an objection, Buyer and Seller shall work cooperatively to reach mutual agreement on any adjustment(s) to the Purchase Price Allocation. In the event that Buyer and Seller are unable to reach mutual agreement, the parties shall be entitled to allocate the Closing Purchase Price and Assumed Liabilities to the extent treated as consideration for U.S. federal tax purposes to the Purchased Assets in such manner as each independently determines is reasonable, and there shall be no revised Final Allocation Schedule.

(c) If a Final Allocation Schedule has been agreed, Seller and Buyer and their respective Affiliates shall report, act and file all Tax Returns, forms or reports (including IRS Form 8594) in all respects and for all purposes consistent with the Purchase Price Allocation (as such Final Allocation Schedule may be adjusted and if agreed pursuant to Section 1.9(b)). If a Final Allocation Schedule has been agreed, neither Buyer nor Seller shall take any position in any Tax matter (whether in audit, Tax Returns or otherwise with any Governmental Authority) that is inconsistent with such allocation unless required to do so by applicable Law.

1.10 Escrow. Effective as of the Closing, Seller and Buyer shall enter into the Escrow Agreement with the Escrow Agent. In accordance with the terms of the Escrow Agreement, Buyer shall deposit, at Closing, the Escrow Deposit which shall be held to secure the indemnification obligations of Seller set forth in Article X. The Escrow Deposit, plus any interest or earnings thereon (which shall be the property of the party to which a disbursement from the Escrow Account is made), shall each be managed and paid out by the Escrow Agent after the Closing in accordance with the terms of this Agreement and the Escrow Agreement. In the event that any payments are to be made from the Escrow Account pursuant to this Agreement, each of Buyer and Seller agrees to take all actions reasonably necessary to cause each such payment to be made pursuant to the Escrow Agreement, including by delivering executed written instructions to the Escrow Agent and directing the Escrow Agent to make such payment.

1.11 Withholding. Notwithstanding anything to the contrary contained herein, Buyer and its agents shall be entitled to deduct and withhold from amounts otherwise payable pursuant to this Agreement, such amounts as are required to be deducted or withheld with respect to the making of such payment under any applicable Tax Laws. Any amounts so deducted or withheld shall be treated for all purposes of this Agreement as having been paid to the person in respect of which such deduction or withholding was made. Notwithstanding the foregoing, if Buyer determines that an amount is required to be deducted and withheld with respect to any amounts payable, Buyer shall use commercially reasonable efforts to provide the recipient with at least three (3) Business Days advance written notice of its intent to deduct and withhold and Buyer shall cooperate in good faith with the recipient to eliminate or reduce the basis for and amount of such deduction or withholding to the extent reasonably practicable (including providing the recipient with a reasonable opportunity to provide forms or other evidence that would exempt such amounts from withholding). Buyer or its paying agent shall timely remit any amounts withheld or deducted pursuant to this Section 1.11 to the applicable Taxing Authority.

ARTICLE II

REPRESENTATIONS AND WARRANTIES OF SELLER AND SELLER PARENT

Except as set forth in the schedules delivered by Seller and Seller Parent to Buyer concurrently with the execution of this Agreement, which schedules shall reference the specific sections of this Article II to which such schedules relate (collectively, the “Disclosure Schedules”) (provided that any information, fact or condition disclosed in any section of the Disclosure Schedules shall be deemed to be an exception to other sections of the Disclosure Schedules to the extent the relevance of such exception to such other sections is reasonably apparent on the face of such disclosure), each of Seller and Seller Parent, as applicable, represents and warrants to Buyer as of the date hereof and as of the Closing Date (or, to the extent such schedule is updated pursuant to Section 4.21(a), as of the date of such periodic update):

The Purchased Assets do not, and at Closing will not, constitute all or substantially all of the assets of Seller Parent. This Agreement has been duly executed and delivered by each of Seller and Seller Parent and, assuming the due authorization, execution and delivery thereof by Buyer, constitutes the legal, valid and binding obligation of Seller and Seller Parent, enforceable against Seller and Seller Parent in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and other Laws relating to or affecting creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law). When each other Ancillary Agreement to which Seller and Seller Parent are or will be a party has been duly executed and delivered by Seller and Seller Parent, as applicable (assuming due authorization, execution and delivery by each other party thereto), each such Ancillary Agreement will constitute a legal, valid and binding obligation of Seller and Seller Parent, as applicable, enforceable against Seller and Seller Parent in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other Laws affecting creditors’ rights generally or by general equity principles (regardless of whether enforcement is sought in a proceeding in equity or at law).

(d) To Seller’s Knowledge, during the past five (5) years, the Business has not undergone, and is not undergoing, any audit, review, inspection, investigation, survey or examination of records relating to any Government Contract or Grant (where such audit or such other activity is either outside the ordinary course of business consistent with past practice or would reasonably be expected to result in a material liability to the Business). During the past five (5) years, the Business has not made, and has never been required to make, any disclosure to any Governmental Authority with respect to any alleged, unresolved irregularity, overpayment, misstatement or omission arising out of or relating to any Government Contract or Grant.

(e) No Government Contract or Grant has been canceled, terminated for convenience, terminated for default, suspended or subject to a stop work order or show cause notice during the past five (5) years. The Business does not expect and has not received any notice in writing, or any other communication, terminating or indicating an intent to cancel, suspend, stop work or terminate any Government Contract or Grant.

(f) To the extent applicable and required, the Business has cost accounting systems, estimating systems, purchasing systems, billing systems and material management systems that are in compliance in all material respects with Government Contract or Grant requirements. During the past five (5) years, no Governmental Authority, prime contractor, grantee, recipient, subcontractor, subawardee or subrecipient under any Government Contract or Grant has disallowed or has raised any reasonable basis to disallow any costs claimed by the Business in excess of \$100,000 in any annual incurred cost submission under any Government Contract or Grant, and to Seller’s Knowledge, there is no fact or occurrence that would reasonably be expected to be a reasonable basis for disallowing any such costs. During the past five (5) years, there has been no material claim of defective pricing, mischarging or improper payments or

reimbursements on the part of the Business. The Business's indirect rates, timekeeping and labor charging, wage classifications and the associated entries reflected in the Business's financial statements with respect to the Government Contracts, Grants and Government Bids are in material compliance with all applicable Law and Government Contract and Grant provisions, including applicable cost principles and applicable cost accounting standards. During the past five (5) years, the Business has not received any written notice or any other communication of an unresolved significant weakness or deficiency with respect to the cost accounting system of the Business.

The Business does not use any such Intellectual Property developed under any Government Contract or Grant for purposes outside of the scope of such Government Contract or Grant without having obtained the necessary and appropriate prior permission of the relevant Governmental Authority or other authorized party. The Business has taken all steps required under any Government Contract, Grant and applicable Law to claim, assert, protect, maintain and support its rights in such Intellectual Property and technical data and inventions so that no more than the minimum rights or licenses required to be provided by the Business under the circumstances of the applicable Government Contract or Grant, and in accordance with the applicable FAR, DFARS and DEAR clauses have been provided to the receiving party and/or the Governmental Authority. Without limiting the foregoing, the Business has timely disclosed, reported, elected title to and filed for all subject

inventions with respect to such Intellectual Property, timely listed all technical data constituting such Intellectual Property in any required assertions table and included the proper and required restrictive legends on all copies of such Intellectual Property and technical data delivered, first produced or partially or wholly funded under any Government Contract or Grant. All such markings and rights were, have been and are properly asserted and justified under the Government Contracts in accordance with the requirements under FAR Parts 27 and 52, DFARS Parts 227 and 252, DEAR Part 927 and 952, 37 C.F.R. 3.1 Organization, Standing and Power. Buyer is a corporation duly organized, validly existing, and in good standing under the Laws of the State of Delaware, has the requisite power and authority to own, lease and operate its properties and assets and to carry on its business as now being conducted.

3.2 Authority. Buyer has all requisite corporate power and authority to execute and deliver this Agreement and the Ancillary Agreements to which it is, or will be, a party, to perform its obligations hereunder and thereunder and to consummate the transactions contemplated hereby and thereby. The execution and delivery by Buyer of this Agreement and the other Ancillary Agreements to which Buyer is, or will be, a party, the performance by Buyer of its obligations hereunder and thereunder and the consummation by Buyer of the transactions contemplated hereby

and thereby have been duly authorized by all necessary corporate action, and no other action on the part of Buyer, including its board or directors and its stockholders, are necessary to authorize this Agreement or the other Ancillary Agreements or to consummate the transactions contemplated hereby or thereby. This Agreement has been duly executed and delivered by Buyer and, assuming the due authorization, execution and delivery thereof by Seller and Seller Parent, constitutes the legal, valid and binding obligation of Buyer, enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, and similar Laws relating to or affecting creditors generally or by general equity principles (regardless of whether such enforceability is considered in a proceeding in equity or at law). When each other Ancillary Agreement to which Buyer is a party is entered into, such Ancillary Agreement will be duly executed and delivered by Buyer. When each other Ancillary Agreement to which Buyer is or will be a party has been duly executed and delivered by Buyer (assuming due authorization, execution and delivery by each other party thereto), each such Ancillary Agreement will constitute a legal, valid and binding obligation of Buyer, enforceable against Buyer in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting creditors' rights generally or by general equity principles (regardless of whether enforcement is sought in a proceeding in equity or at law).

3.3 No Conflict; Required Filings and Consents.

(a) The execution and delivery of this Agreement and the other Ancillary Agreements by Buyer does not, and the performance of this Agreement and the Ancillary Agreements by Buyer will not (i) conflict with or violate the Organizational Documents, in each case as amended or restated, of Buyer, (ii) conflict with or violate any Laws in effect as of the Agreement Date and applicable to Buyer or by which any of its properties are bound, or (iii) result in any breach of or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or require payment under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of any Encumbrance on, any of the properties or assets of Buyer, in each case of clauses (i) through (iii) above, with such exceptions as would not reasonably be expected to prevent Buyer from consummating the transactions contemplated by this Agreement or the other Ancillary Agreements.

(b) The execution and delivery of this Agreement and the other Ancillary Agreements by Buyer does not, and the performance of this Agreement and the other Ancillary Agreements by Buyer and the consummation of the transactions contemplated hereby and thereby will not require Buyer to obtain any Consent, Permit or order of, or to make any filing with or notification to, or procure other action by, any Person based on any Laws, except as required under Antitrust Laws and for any such consent, permit or order, or filing or notification which failure to obtain or make would not reasonably be expected to prevent Buyer from consummating the transactions contemplated by this Agreement.

3.4 Litigation. There is no Action or Order issued by a Governmental Authority pending, or to the knowledge of Buyer, threatened, against or by Buyer that would reasonably be expected to affect Buyer's ability to consummate the transactions contemplated by this Agreement or perform its obligations under this Agreement and the Ancillary Agreements to which it is a party.

3.5 Brokers or Finders. No agent, broker, investment banker, financial advisor or other firm or Person is or will be entitled to any broker's or finder's fee or any other similar commission or fee in connection with any of the transactions contemplated by this Agreement, based upon arrangements made by or on behalf of Buyer, for which any Seller Party or any of its Affiliates could have any liability or responsibility whatsoever.

3.6 Sufficient Funds. Buyer has, and at the Closing, Buyer will have, cash on hand or available credit facilities to provide, in the aggregate, sufficient funds to pay the Purchase Price and to perform its obligations under this Agreement and the Ancillary Agreements to which it is or at the Closing will be a party.

3.7 No Other Representations or Warranties. Except as expressly set forth in this Article III, Buyer makes no representation or warranty, express or implied, at law or in equity, with respect to Buyer, its Affiliates, its businesses or financial condition or any of its assets, liabilities or operations or any other matter, and any such other representations or warranties are hereby disclaimed. Buyer acknowledges that (a) it has received access to certain books and records, facilities, equipment, Contracts and other assets of Seller and Seller Parent related to the Business, and (b) that Buyer and its Affiliates and representatives have had an opportunity to meet with the management of Seller and Seller Parent to discuss the Business. Buyer has conducted its own independent investigation, review, analysis and evaluation of the Business to assist Buyer in making an informed decision with respect to the purchase of the Purchased Assets and the Business, the assumption of the Assumed Liabilities and the execution of this Agreement and the Ancillary Agreements and, with respect to the transactions contemplated by this Agreement, and has relied on the representations and warranties of Seller and Seller Parent in Article II. Except for the representations and warranties expressly set forth in Article II, Buyer hereby acknowledges that none of Seller, Seller Parent nor any of their respective Representatives has made or is making any other express or implied representation or warranty with respect to Seller, Seller Parent or their respective Affiliates, or any business (including the Business) or operations. Except for those representations and warranties expressly set forth in Article II, Buyer has not relied, is not relying and specifically disclaims all reliance upon any representations or warranties that may have been made by Seller, Seller Parent, any other Person or any of their respective Representatives, and acknowledges and agrees that Seller and Seller Parent have specifically disclaimed and do hereby specifically disclaim all such other representations and warranties. For the elimination of doubt, nothing in this Section 3.7 or elsewhere in this Agreement limits any claim, right or remedy that Buyer may have against any Seller Party for Fraud.

ARTICLE IV

COVENANTS

4.1 Confidentiality; Access.

(a) If for any reason this Agreement is terminated prior to the Closing Date, the Confidentiality Agreement shall nonetheless continue in full force and effect in accordance with its terms. The parties hereto each acknowledge that certain Confidential Information is subject to the terms of the Confidentiality Agreement, the terms of which are incorporated herein by reference, and binding upon the parties hereto. If the transactions contemplated hereby are not

consummated, the parties shall continue to be bound by the provisions of the Confidentiality Agreement in accordance with the terms thereof. Effective as of the Closing, the Confidentiality Agreement shall terminate.

(b) The Seller Parties acknowledge that the success of the Business after the Closing depends upon the continued preservation of the confidentiality of certain Confidential Information possessed by Seller as of the date of this Agreement, that the preservation of the confidentiality of such Confidential Information by the Seller Parties is an essential premise of the bargain between the Seller Parties and Buyer, and that Buyer would be unwilling to enter into this Agreement in the absence of this Section 4.1. Buyer acknowledges that the success of the Business prior to the Closing and, to the extent the Closing fails to occur, following the termination of this Agreement, depends upon Buyer's preservation of the confidentiality of the Confidential Information disclosed to Buyer hereunder, and that the success of the Excluded Business after the Closing depends upon the continued preservation of the confidentiality of certain Confidential Information made available to Buyer as of the date of this Agreement, and that the Seller Parties would be unwilling to enter into this Agreement in the absence of this Section 4.1. Accordingly, each party hereby agrees that neither it nor any of its Representatives shall, and that each party shall cause its Affiliates and their respective Representatives not to, at any time on or after the date of this Agreement, directly or indirectly, without the prior written consent of the disclosing parties, disclose or use, any Confidential Information of the other party involving or relating to the Business or the Excluded Business; provided, however, that the information subject to the foregoing provisions of this sentence will not include any information generally available to, or known by, the public (other than as a result of disclosure in violation hereof); and provided further that the provisions of this Section 4.1 will not prohibit any disclosure (i) required by any applicable Law so long as reasonable prior notice is given of such disclosure and a reasonable opportunity is afforded to contest the same (and, if such disclosure is in fact required, the disclosing party discloses Confidential Information solely to the extent required by applicable Law), (ii) made in connection with the enforcement of any right or remedy relating to this Agreement or the transactions contemplated hereunder, (iii) by Buyer of confidential or proprietary information of the Business following the Closing or (iv) by the Seller Parties to the extent required to operate the Business in the ordinary course of business prior to Closing or to comply with the conditions to the Closing set forth in Article VII. Each party agrees that it will be responsible for any breach or violation of the provisions of this Section 4.1 by any of its Affiliates or Representatives.

(c) During the Interim Period, the Seller Parties will, during normal business hours and upon reasonable prior notice, at Buyer's expense, and upon Buyer's reasonable request (i) provide to Buyer and its Representatives reasonable access to the premises, property, books and records of the Business, (ii) furnish to Buyer and its representatives financial information, operating data and other information pertaining to the Business, (iii) make available for inspection and copying by Buyer copies of any documents relating to the foregoing (at Buyer's expense), (iv) permit Buyer and its representatives to conduct reasonable interviews of executive officers of the Business, and (v) provide Buyer reasonable access to, and shall make its employees reasonably available for, general informational meetings, and the Seller Parties shall provide information reasonably requested to facilitate Buyer's integration activities with respect to the Business, including facilitation of Buyer dropping off supplies, and performing such other related activities as are reasonably necessary in order to transition the Business immediately upon Closing; provided, however, that (A) Buyer shall exercise its right under this Section 4.1(c) in such a manner

as to not unreasonably interfere with the operations of the Business, and (B) the Seller Parties may limit such access described in clauses (i) through (iv) above to the extent such access (I) could violate any applicable Laws, including any Antitrust Laws, (II) may give rise to a risk of waiving any attorney-client privilege, work product doctrine or other applicable privilege or (III) would be in breach of any confidentiality obligation, commitment or provision by which any Seller Parties or the Business, as applicable, is bound or affected as of the Agreement Date, which confidentiality obligation, commitment or provision shall be disclosed to Buyer. The access provided hereunder shall include the right to conduct environmental sampling of the Transferring Real Property with the prior approval of Seller, which shall not be unreasonably withheld, conditioned or delayed.

4.2 Public Statements and Internal Communications. Except as may be required by applicable Law or the rules and regulations of any national securities exchange on which the stock of Seller Parent or Buyer are listed, the parties hereto shall consult with each other and obtain the prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) of the other party prior to issuing any press release or any written public statement with respect to this Agreement, the other Ancillary Agreements, or the transactions contemplated hereby or thereby, and shall not issue any such press release or written public statement prior to such consultation and obtaining such prior written consent; provided that the party issuing the press releases or statements may proceed without such comments or consent if such comments or consent are not timely provided. The parties hereto further agree that they will collaborate in good faith to develop a communications plan to establish the timing and manner in which messages related to this Agreement will be communicated to the Business Employees, customers and other stakeholders.

4.3 Conduct of Business Prior to the Closing.

(b) During the Interim Period, except (1) as provided for in this Agreement, (2) as required by applicable Law or GAAP or (3) to the extent that Buyer shall otherwise consent in writing (which consent shall not be unreasonably withheld, conditioned or delayed), each of Seller and Seller Parent shall (x) conduct the Business in the ordinary course of business and (y) use commercially reasonable efforts to maintain and preserve intact the current organization, business and franchise of the Business and to preserve the rights, franchises, goodwill and relationships of the employees, customers, suppliers, regulators and others having business relationships with Seller and Seller Parent with respect to the Business. For the elimination of doubt, nothing contained in this Section 4.3 shall impose any restriction on, or impose obligations of Seller or Seller Parent with respect to, the Excluded Business (including, for the avoidance of doubt, selling or continuing to operate any segment of the Excluded Business) or the Excluded Assets.

(c) During the Interim Period, Seller and Seller Parent shall:

(i) not sell, lease, transfer, license, pledge, dispose of, assign, or otherwise encumber or subject to any Encumbrance (other than any Permitted Encumbrance) any of the Purchased Assets or any rights thereto, other than inventory in the ordinary course of business;

(ii) comply in all material respects with all Laws applicable to the Business, the Purchased Assets and the Assumed Liabilities;

(iii) keep in full force and effect the Insurance Policies (or replacement insurance materially comparable in amount and scope to insurance currently carried by Seller and Seller Parent with respect to the Business);

(iv) preserve and maintain in effect all material Permits necessary to carry on the Business as currently conducted or for the ownership and use of the Purchased Assets;

(v) not cancel, compromise, waive, or release any material right or claim constituting a Purchased Asset, other than in the ordinary course of business;

(vi) not grant any license or sublicense of any rights under or with respect to any Business Intellectual Property or the 4Kscore Test other than in the ordinary course of business;

(vii) not make or authorize any change in any of Seller's Organizational Documents to the extent such amendment or change would prevent, impede or delay the consummation of the transactions contemplated hereby or otherwise adversely affect the Business, Purchased Assets or the Assumed Liabilities;

(viii) not make any increase in the base compensation or target bonus of any of the Business Employees, except in the ordinary course of business and consistent with past practice or as may be required by any Law or Contract;

(ix) not amend, change, supplement, waive or terminate any Material Contract or any other Contract that is an Assigned Contract, except for renewals in the ordinary course of business;

(x) not enter into, amend, change, supplement, waive or terminate any Material Contract or any other Contract that is an Assigned Contract (A) that would reasonably be expected to have an adverse effect on the Business or any of the Purchased Assets or the Assumed Liabilities, or (B) pursuant to which any Person (other than Buyer and its Affiliates) is first granted, or that otherwise first subjects Buyer or any of its Affiliates to, (1) any covenants or provisions restricting competition or prohibiting any of them from freely engaging in the Business or otherwise restricting the conduct of the Business or use of the Purchased Assets in any market, geographic area or other jurisdiction, (2) any "most favored nation" or "best pricing" terms or any type of exclusivity, special discount, right of first refusal, first notice or first negotiation with respect to any of the Purchased Assets or (3) any license, covenant not to sue, immunity or other similar right with respect to or under any of the Purchased Assets;

(xi) not enter into, amend, change, supplement or negotiate any collective bargaining agreement or other agreement with a labor union, profit sharing, defined compensation, severance or other plan or arrangement for the benefit of a Seller Party's current directors, officers and employees;

(xii) not terminate the employment of any Business Employee, except for cause, within the ninety (90) day period prior to the Closing Date;

(xiii) use commercially reasonable efforts to enforce any and all non-solicitation agreements or other agreements containing restrictive covenants with respect to each Business Employee;

(xiv) not make any material change in its methods of accounting or accounting principles or practices used in the Business (including with respect to reserves);

(xv) not commence, negotiate, settle, pay, discharge or satisfy any Action primarily relating to the Business or any of the Purchased Assets or the Assumed Liabilities, except in the ordinary course of business;

(xvi) not acquire by merging or consolidating with, or by purchasing a substantial Equity Interest in or a substantial portion of the assets of, or by any other manner, any business or any Person, in each case if such transaction has an adverse effect on the Business or any of the Purchased Assets or the Assumed Liabilities;

(xvii) not terminate or close any facility or operation used in the Business;

(xviii) settle or compromise any Action in respect of material Taxes; enter into any Contract in respect of material Taxes with any Governmental Authority; or amend any Tax Return, in each case, with respect to the Purchased Assets or the Business and to the extent such action would reasonably be expected to result in any increase in the Liability for Taxes of Buyer or its Affiliates;

(xix) not take or omit to take any action which has, individually or in the aggregate, a Material Adverse Effect;

(xx) not acquire any real property that would constitute a Purchased Asset; and

(xxi) not enter into a binding agreement to do any of the foregoing.

4.4 Interim Period Operations. Nothing contained in this Agreement shall give any party hereto, directly or indirectly, the right to control or direct the operations of any other party hereto during the Interim Period. During the Interim Period, each party shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Affiliates' respective businesses and operations.

4.5 Consents; Cooperation; Nonassignable Items; Add-On Testing. Subject to the terms and conditions of this Agreement (including Section 4.6):

(a) Seller Parent, Seller and Buyer shall cooperate and use their respective commercially reasonable efforts (and to the extent necessary, will use their respective commercially reasonable efforts to cause their Affiliates to use their respective commercially reasonable efforts) to: (i) obtain or secure prior to the earlier of the date required (if so required) or the Closing Date, any Consents or Approvals of, to or with any Governmental Authority or other third Person that are required for the consummation of the transactions contemplated by this Agreement including the expiration or termination of all applicable waiting periods under Antitrust

Laws and those set forth on Schedule 7.6 and Schedule 7.7; and (ii) subject to Section 4.1, furnish to each other such information and assistance as may reasonably be requested in connection with the foregoing.

(b) If and to the extent that any Payment Program or any other payor, makes any claims or any offsets, withholds funds from Buyer, or requires Buyer to refund any payments for services rendered on or after the Closing Date, due to overpayments, duplicate payments, fraud, incorrect billing, retroactive denials or for any other reason relating to any action or inaction of Seller in connection with the operation of the Business prior to the Closing Date (whether known or unknown as of the Closing), the Seller Parties shall reimburse Buyer reasonably promptly for Losses actually incurred by Buyer.

(c) Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to sell, convey, assign, sublease or transfer any Purchased Assets if an attempted sale, conveyance, assignment, sublease or transfer thereof, without the Consent of any Person, would constitute a breach of, or in any way affect, the rights of Seller with respect to such Purchased Assets (“Nonassignable Items”). It is acknowledged and agreed that the Purchased Assets listed on Schedule 4.5(c) the (“TSA Purchased Assets”) shall be treated as Nonassignable Items for purposes of this Agreement. Seller Parent and Seller shall each use its commercially reasonable efforts to obtain, and Buyer shall use its commercially reasonable efforts to cooperate in seeking, all Consents and to resolve all impracticalities of sale, conveyance, assignment, sublease or transfer necessary to convey to Buyer all Nonassignable Items as quickly as practicable on and after the Closing Date, and without any change to the material terms of such items, and each Seller Party shall continue such efforts as may be required for a period of six (6) months after the Closing Date (or, solely with respect to TSA Purchased Assets until the date set forth in the Transition Services Agreement (the “TSA Convey Date”) and in any event no later than the termination date of the Transition Services Agreement), to facilitate the full and expeditious transfer to Buyer of legal title to the Purchased Assets. Prior to obtaining any such Consent, the Seller Parties and Buyer shall cooperate with each other in any reasonable and lawful arrangements designed to provide to Buyer the benefits of use of any Nonassignable Item for its term, and to the extent that Buyer receives such benefits, it will assume the Liabilities of Seller thereunder to the extent that Buyer would have been responsible therefor if such Consent had been obtained. Once Consent is obtained, Seller shall promptly assign such Nonassignable Item to Buyer, and Buyer shall assume the Liabilities thereunder (and this Agreement shall be deemed to effectuate such assumption without any further action by the parties hereto); provided that (i) notwithstanding the foregoing, 100% of the Purchase Price (including with respect to any Nonassignable Item) shall be paid at Closing by Buyer and (ii) that nothing contained in this Section 4.5(c) or elsewhere in this Agreement shall be deemed to constitute an agreement to exclude from the Purchased Assets the benefits, nor from the Assumed Liabilities the Liabilities associated with such benefits, under any Assigned Contract as to which Consent may be necessary.

(d) The Seller Parties and Buyer shall cooperate with each other in any reasonable and lawful arrangements designed to allow Seller to complete any Add-On Testing Services.

4.6 Competition Filings.

(a) The parties shall prepare and file promptly all communications, filings and forms with any Governmental Authority required to consummate the transactions contemplated hereunder, including their respective notifications and report forms under Antitrust Laws that are set forth on Schedule 7.6. The parties shall each cooperate reasonably with one another in connection with resolving any inquiry or investigation by any Governmental Authority relating to the transactions contemplated hereby. Without limiting the foregoing, each party shall use their commercially reasonable efforts to (i) promptly inform the other party of any written or oral communication received from any Governmental Authority relating to the transactions contemplated hereby (and if in writing, furnish the other party with a copy of such communication); (ii) respond as promptly as practicable to any request from any Governmental Authority for information, documents or other materials in connection with the transactions contemplated hereby, including substantial compliance with any second request issued pursuant to the HSR Act; (iii) provide to the other party, and permit the other party to review and comment in advance of submission, considering in good faith the views of the other party, and incorporate the other party's reasonable comments, all proposed correspondence, filings, and written communications to any Governmental Authority with respect to the transactions contemplated hereby, provided that such material (A) may be redacted as necessary (1) to comply with contractual arrangements, (2) to address legal privilege concerns or (3) to remove references concerning the valuation of the parties or (B) designated as "outside counsel only," which materials and the information contained therein shall be given only to outside counsel and previously-agreed outside economic consultants of the recipient and will not be disclosed by such outside counsel or outside economic consultants to employees, officers, or directors of the recipient without the advance written consent of the party providing such materials; and (iv) not participate in any substantive meeting, communication, or discussion with any Governmental Authority in respect of investigation or inquiry concerning the transactions contemplated hereby unless it consults with the other party in advance and, except as prohibited by applicable Law or the FTC or DOJ, gives the other party the opportunity to attend and participate therein. Neither Buyer nor Seller Parent shall stay, toll, or extend any applicable waiting period under the HSR Act, including a pull and refile, without the advance written agreement of other party.

(b) Notwithstanding anything to the contrary contained in this Agreement, nothing in this Agreement will require or obligate Buyer or any of its Affiliates to (and in no event shall any representation, warranty or covenant of Buyer contained in this Agreement be breached or deemed breached as a result of the failure of Buyer to take any of the following actions): (i) agree to or otherwise become subject to any limitations on (A) the right of Buyer effectively to control or operate its business (including the Business after the Closing) or assets (including the Purchased Assets) or (B) the right of Buyer to exercise its full rights of ownership of its business (including the Business after the Closing) or assets (including the Purchased Assets); (ii) agree or be required to sell or otherwise dispose of, hold separate (through the establishment of a trust or otherwise), or divest itself of all or any portion of the business, assets or operations of Buyer or any of its Affiliates or the Business after the Closing or the Purchased Assets; (iii) terminate, modify, or assign existing relationships, Contracts, or obligations of Buyer or any of its Affiliates or those relating to the Business after the Closing or the Purchased Assets; (iv) change or modify any course of conduct regarding future operations of Buyer or any its Affiliates or the Business after the Closing or the Purchased Assets; (v) litigate or contest any administrative or judicial

action or proceeding or any Order; or (vi) otherwise take any steps to avoid or eliminate any impediment that may be asserted under any Antitrust Law. In regard to any Governmental Authority, neither Seller Parent nor Seller shall, without Buyer's prior written consent in Buyer's sole discretion, discuss or commit to any divestiture transaction, or discuss or commit to alter any of their businesses or commercial practices in any way, or otherwise discuss, take or commit to take any action that limits Buyer's freedom of action with respect to, or Buyer's ability to retain any of the businesses, product or service lines or assets of, the Business or otherwise limits Buyer's ability to receive the full benefits of this Agreement.

(c) Buyer shall lead all communications, strategy and efforts to obtain all necessary clearances, actions or non-actions and consents from Governmental Authorities under Antitrust Laws in connection with the transactions contemplated hereby and any litigation matters relating to the Antitrust Laws, subject to good faith consultations with Seller Parent and the inclusion of Seller Parent at meetings with Governmental Authorities with respect to any discussion related to the transactions contemplated hereby under the Antitrust Laws.

(d) Buyer has paid, or shall pay, all filing fees payable under the HSR Act up to \$300,000, and Buyer, on one hand, and the Seller Parties, on the other hand, shall equally split any filing fees payable under the HSR Act in excess of \$300,000. Each party shall be responsible for its own legal and other costs and expenses in connection with obtaining all necessary clearances, actions or non-actions and consents from Governmental Authorities under Antitrust Laws in connection with the transactions contemplated hereby and any litigation matters relating to the Antitrust Laws.

(e) Each party hereto shall, (i) as promptly as possible, use its commercially reasonable efforts to obtain, or cause to be obtained, all other Consents and orders from all Governmental Authorities and (ii) on or prior to the tenth (10th) day immediately following the date hereof, make, or cause to be made, all filings required by Law to be made by it to consummate the transactions contemplated hereby (including those set forth on Schedule 7.6) that may be or become necessary for its execution and delivery of this Agreement and the performance of its obligations pursuant to this Agreement and the other Ancillary Agreements. Each party shall cooperate with each other party and its Affiliates in promptly seeking to obtain all such other Consents and orders that the other is required by Law to make. The parties hereto shall not willfully take any action that will have the effect of delaying, impairing or impeding the receipt of any required Consents and orders that the other is required by Law to make.

4.7 Trading Prohibitions; Exclusivity.

(a) Each party hereto hereby acknowledges that as a result of disclosures by the parties contemplated under this Agreement, each party and its Affiliates may, from time to time, have material, non-public information concerning the other parties. Each party confirms that it and its Affiliates are aware that the United States securities Laws may prohibit a Person who has material, non-public information from purchasing or selling securities of any company to which such information relates.

(b) During the Interim Period, the Seller Parties shall not and shall cause their respective Affiliates and shall direct their respective Representatives not to directly or indirectly:

(i) solicit, initiate, or encourage the submission of any proposal or offer from any Person relating to, or enter into or consummate any transaction relating to, any merger, sale of substantial assets or any similar transaction or alternative to the transactions contemplated hereunder, other than a transaction with respect to the Excluded Assets or the Excluded Liabilities (an “Alternative Transaction”), (ii) participate in any discussions or negotiations regarding, furnish any information with respect to, assist or participate in, entertain, or facilitate in any other manner any effort or attempt by any Person to do or seek an Alternative Transaction or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Alternative Transaction or otherwise consummate an Alternative Transaction. Seller will notify Buyer promptly if any Person makes any proposal, offer, inquiry or contact with respect to any of the foregoing (whether solicited or unsolicited) and provide Buyer with the identity of the Person making or submitting such proposal, offer, inquiry, or contact, and the material terms and conditions thereof.

4.8 Restrictive Covenants.

(a) Seller and Seller Parent hereby covenant and agree that they shall not, directly or indirectly through one or more of their directors, managers, officers, employees (in the case of any such director, manager, officer or employee, for or on behalf of Seller or Seller Parent) or Affiliates (the “Restricted Parties”) (i) for a period of five (5) years after the Closing Date (the “Restricted Period”), engage with, invest in, own, manage, operate, finance, control, advise or render services to any Person (including a direct competitor of Buyer) engaged in (x) the Business or (y) any other business or activity that competes in any respect with any aspect of the Business as conducted or proposed to be conducted on or prior to the Closing Date, (ii) use any names constituting Purchased Assets in the Excluded Business, or (iii) use, file for, or attempt to resurrect any Abandoned Marks for any purpose (a “Restricted Business”); provided, however, that the Seller Parties may, without violating this Section 4.8(a), (1) own, as a passive investment, shares of capital stock of a publicly held corporation that engages in a Restricted Business if: (A) such shares are traded or quoted on an established national securities exchange or on the over the counter market in the United States or on any similar market or facility outside of the United States; and (B) the number of shares of such corporation’s capital stock that are owned beneficially by either Seller Party (as applicable) and the number of shares of such corporation’s capital stock that are owned beneficially by the Affiliates of Seller or Seller Parent (as applicable) collectively represent less than five percent (5%) of the total number of shares of such corporation’s capital stock outstanding; (2) own and operate the Excluded Business, which Buyer acknowledges and agrees does not constitute a Restricted Business; (3) provide in process, add-on or pending testing services on specimens that were collected by Seller Parties in connection with the Business prior to the Closing Date (“Add-On Testing Services”) and for a period of one week following the Closing Date (the “Add-On Testing Period”), provided that after the Add-On Testing Period any Add-On Testing Services shall be performed in accordance with the Transition Services Agreement and subject to the applicable fees thereunder, and (4) provide the TSA Services contemplated under the Transition Services Agreement in accordance with the terms and conditions set forth therein.

(b) Without the prior written consent of the other party, neither Seller Party, on one hand, nor Buyer, on the other hand, nor their respective Representatives having knowledge of this Agreement or the transactions contemplated hereby immediately prior to the Agreement Date, shall, for a period of three (3) years after the Closing Date: (i) induce or attempt to influence any officer, director, management-level or sales employee of the other party to terminate, discontinue,

or modify their employment or contractual relationship with the other party, or in any way interfere with the relationship between such party and any officer, director, management-level or sales employee or (ii) solicit for employment or knowingly hire or engage any officer, director, management-level or sales employee of the other party; provided, however, that the foregoing does not apply to contact or solicitation (or resulting employment or engagement) (A) made by any of such party's Representatives having knowledge of this Agreement or the transactions contemplated hereby immediately prior to the Agreement Date and who is not directed or encouraged to make such contact or solicitations by such party's Representatives that had knowledge of this Agreement or the transactions contemplated hereby immediately prior to the Agreement Date, (B) made through general solicitations of employment not directly targeting any such employee of the other party (e.g., through general advertisements, search firms, etc.), (C) where such employee initiates employment discussions with the other party, its affiliates or their employees, agents or independent contractors, or (D) with respect to Buyer offers of employment to any TSA Employee or, for the avoidance of doubt, any other independent contractor of the Seller Parties that support the TSA Services during the TSA Term.

(c) During the Restricted Period, Seller and Seller Parent hereby covenant and agree that they shall not, directly or indirectly through one or more of the Restricted Parties: (i) solicit, induce or otherwise cause, or attempt to solicit, induce or otherwise cause, any customer of the Business prior to the Closing Date or any supplier, licensor or licensee of or to the Business prior to the Closing Date (but only to the extent such supplier, licensor or licensee is a counterparty to an Assigned Contract, such counterparty a "Business Vendor") that has been contacted or targeted for contact by Seller or Seller Parent on behalf of the Business on or before the Closing Date to (A) terminate, curtail or otherwise modify its relationship with the Business or (B) engage in business with a competitor of the Business; or (ii) interfere in any way with the relationship between the Business and any of its customers or Business Vendors or any such prospective customers or Business Vendors that have been contacted or targeted for contact by the Business on or before the Closing Date.

(d) (A) Seller and Seller Parent shall not make any disparaging statement, either orally or in writing, regarding the Business, or any products or services thereof, or any Representatives or Affiliates of Buyer with respect to the Business, and (B) Buyer shall not make any disparaging statement, either orally or in writing, regarding the Excluded Business, or any products or services thereof, or any Representatives or Affiliates of Seller with respect to the Excluded Business; provided that such prohibited statements do not include statements that are made for the purpose of protecting or enforcing the rights or interests of any party hereunder or defending against any claim brought by any party hereunder, and none of Buyer, Seller or Seller Parent shall be prohibited from making any truthful statements in any Action or otherwise, or as otherwise required by applicable Law. Further, nothing herein shall be deemed to limit competitive speech or commercial comparisons regarding services or products of Buyer, Seller or Seller Parent following the expiration of the Restricted Period.

(e) Buyer, Seller and Seller Parent, by their respective execution of this Agreement, hereby agree that this Section 4.8, including the provisions relating to duration, geographical area and scope, is reasonable and necessary to protect and preserve their respective legitimate business interests and the value of the Business and the Excluded Business, as

applicable, and to prevent an unfair advantage from being conferred on Buyer, Seller or Seller Parent.

(f) If any provision of this Section 4.8 is held to be excessively broad as to duration, geographical area, scope, activity or subject, for any reason, such provision shall be modified, by limiting and reducing it, so as to be enforceable to the extent allowed by applicable Law.

(g) Buyer, Seller and Seller Parent, by their respective execution of this Agreement, hereby acknowledge that any breach of this Section 4.8 would result in serious and irreparable injury to Buyer, Seller or Seller Parent, and none could be adequately compensated by monetary damages alone, and a remedy at law would not be adequate. Therefore, the parties hereby acknowledge and agree that, in the event of a breach of this Section 4.8, Buyer, Seller and Seller Parent, as applicable, shall be entitled, without proof of actual damages, to seek equitable relief against the breaching party, including temporary restraining orders and preliminary and permanent injunctions to restrain the breaching party from such breach and to compel compliance with the obligations of the breaching party under this Section 4.8. Further, Buyer, Seller and Seller Parent agree that, in the event of a breach of this Section 4.8, the Restricted Period applicable to such restriction shall automatically be extended by the period the applicable party was in violation thereof.

(h) For the avoidance of doubt, the provisions of this Section 4.8 will apply to all of the successors and assigns of Seller and/or Seller Parent. In the event that all or substantially all of the Excluded Business is sold to any Person or Persons other than to Buyer or its Affiliates, whether in one transaction or a series of transactions, then Seller and/or Seller Parent will, in each such case, ensure that the purchaser or purchasers in such transaction or transactions will not receive any Confidential Information relating to the Business.

4.9 Notice of Developments. During the Interim Period the Seller Parties will give Buyer prompt written notice upon becoming aware, and shall in any event give such notice no later than 48 hours of becoming aware, of any material development that would reasonably be expected to result in a material breach of, or inaccuracy in, any of Seller's and Seller Parent's representations and warranties; provided, however, that no such disclosure will be deemed to prevent or cure any such breach of, or inaccuracy in, amend or supplement any schedule to, or otherwise disclose any exception to, any of the representations and warranties set forth in this Agreement. Furthermore, after the date hereof until the end of the TSA Term, Seller Parties shall give Buyer prompt written notice upon becoming aware, and shall in any event give such notice no later than forty-eight (48) hours after becoming aware, of any significant lab inspection deficiencies, and Seller Parties shall take commercially reasonable efforts to promptly mitigate, address, or resolve any such identified deficiencies.

4.10 Other Closing Documentation.

(a) If Buyer determines that the assignment to Buyer at Closing of a Transferring Real Property Lease with a landlord that is or has a direct or indirect ownership interest in: (i) a Physician or the Immediate Family Member of a Physician, (ii) a Physician medical practice, (iii) a hospital or health system, or (iv) any other type of health care provider containing

terms or conditions that do not comply with applicable Law, then Buyer may request that Seller seek, at Buyer's sole expense, an amendment to such lease in order that such assignment would comply with applicable Law (each such amendment, a "Lease Amendment"). Seller shall use commercially reasonable efforts to obtain each such requested Lease Amendment prior to Closing, and each Lease Amendment shall be in form and substance reasonably acceptable to Buyer. For the elimination of doubt, no Lease Amendment shall be a condition to the consummation of Closing. If any requested Lease Amendment is not entered into prior to Closing, then the related Transferring Real Property Lease shall become an Excluded Asset for all purposes under this Agreement, and Seller shall use commercially reasonable efforts to seek such Lease Amendment post-Closing, until the earlier of (A) the termination of the Transition Services Agreement and (B) the expiration of any such Transferring Real Property Lease, and, as promptly as reasonably practicable, assign such Transferring Real Property Lease to Buyer following entering into such Lease Amendment.

(b) At the Closing, the Seller Parties shall use their commercially reasonable efforts to deliver to Buyer (i) a lease assignment, duly executed by Seller or its Affiliates (as applicable) and the applicable assignee, in a form reasonably satisfactory to Buyer, pursuant to which the Seller Parties shall assign and Buyer shall assume the Transferring Real Property Leases, (ii) with respect to each Transferring Real Property Lease, an estoppel certificate from the landlord under such Transferring Real Property Lease in form and substance reasonably acceptable to Buyer, which shall include, to the extent required by such Transferring Real Property Lease, a Consent of the landlord to the assignment of such Transferring Real Property Lease to Buyer, (iii) a complete landlord disclosure letter in the form provided by Buyer from the applicable lessor in connection herewith, in form and substance reasonably satisfactory to Buyer, (iv) a properly completed Form W-9 from each landlord, (v) any Lease Amendments required pursuant to Section 4.10(a) and (vi) such other documentation that Buyer may reasonably request to consummate the assignment of the Transferring Real Property Leases (collectively, the "Transferring Lease Assignment").

(c) With respect to Transferring Real Property for which the Transferring Lease Assignment is not delivered at the Closing, as soon as reasonably practicable, and in any event within sixty (60) days following the Closing Date, subject to the terms of Section 4.5(c), Seller shall deliver to Buyer, duly executed by Seller (or its applicable Affiliates), the Transferring Lease Assignment in form and substance reasonably satisfactory to Buyer including with respect to compliance with applicable Law, including all Consents or waivers.

(d) All costs and expenses arising out of or incurred in connection with any change to the terms, or transfer to Buyer, of any Transferring Real Property Lease shall be borne exclusively by Buyer. Any vacating and decommissioning costs related to or arising out of the Excluded Assets, including moving any Excluded Assets out of any Transferring Real Property, shall be borne exclusively by the Seller Parties.

4.11 Post-Closing Use of Intellectual Property. From and after the Closing Date, Seller Parent and Seller (including Affiliates of Seller Parent and any successors to Seller or Seller Parent) hereby unconditionally and irrevocably covenants not to sue Buyer or its Affiliates for infringement of any claim of any patent owned or controlled by Seller Parent or Seller (including patents owned or controlled by Affiliates of Seller Parent and any successors to Seller or Seller

Parent) for Buyer's operation of the Business in the manner and to the extent operated by Seller immediately prior to the Closing Date.

4.12 Retention of Records and Specimens. Seller Parties shall use their commercially reasonable efforts to ensure that all records, films, slides, blocks, tissue and other specimens with respect to the Business that Seller Parties are required to maintain under applicable Law are retained and available in the manner and for the timeframe required by applicable Laws. Seller Parties shall inform Buyer as to where such records and specimens are maintained prior to the Closing Date (and if any change to such location or arrangement occurs following the Closing Date) and shall use their commercially reasonable efforts to ensure that any third party that maintains such records, films, slides, blocks, tissue and other specimens provides access to Buyer and any Business Customer to such records, films, slides, blocks, tissue and other specimens within one week after receipt of a valid written request or as otherwise required by applicable Law.

4.13 Transfer of Warranties. As of the Closing Date, to the extent assignable, the Seller Parties shall be deemed to have assigned to Buyer all of its right, title and interest in and to such warranties (express and implied) that continue in effect with respect to any of the Purchased Assets, and to have nominated Buyer as the Seller Parties' true and lawful attorney-in-fact to enforce such warranties against such manufacturers, and the Seller Parties shall execute and deliver such specific assignments of such warranty rights as Buyer may reasonably request.

4.14 Ownership of Purchased Assets. From and after the Closing, Buyer shall have the exclusive right to represent itself as the Buyer of the Purchased Assets; provided, however, that such representations shall not in any manner attempt to convey to the public or to any of the Seller Parties' customers or former customers that Buyer is acting for or on behalf of any Seller Parties or their respective Affiliates, as applicable, or that the Seller Parties are not still the owners of the Excluded Assets or the Excluded Business.

4.15 Bulk Transfer Laws. Seller Parties agree to pay and discharge, promptly and diligently, when due, or to contest or litigate all unpaid Taxes, if any, reported by the New York State Tax Department on NYS Form AU-196.2 which could be asserted against Buyer or the Purchased Assets or the Business in response to the filing of NYS Form AU-196.10 pursuant to Section 6.4, to indemnify, defend at their own expense and hold Buyer harmless from and against any and all such Taxes, and upon receipt of written notice from Buyer of the existence thereof, to take promptly all necessary action to remove or cause to be removed any Encumbrance that may be placed on any of the Purchased Assets in connection with such Taxes. Except for the foregoing, including the filing of NYS Form AU-196.10 pursuant to Section 6.4, the parties hereby waive compliance with the provisions of any other bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Purchased Assets.

4.16 Tail Insurance Policy. Following the Closing Date, Seller and Seller Parent shall maintain in effect, or shall purchase a "tail" policy of, medical malpractice liability insurance with respect to matters occurring prior to the Closing Date, which insurance shall contain terms and conditions no less advantageous than are contained in the current medical malpractice liability insurance policies set forth on Section 2.12 of the Disclosure Schedules. Upon the request of Buyer, the Seller Parties shall provide reasonable evidence of the existence of such insurance policies.

4.17 Proration. Common area maintenance charges, utility charges and rental payments with respect to the Purchased Assets and the Transferring Real Property shall be prorated on a per diem basis and apportioned on a calendar year basis between the Seller Parties, on the one hand, and Buyer, on the other hand, as of the Closing Date. The Seller Parties shall be liable for that portion of such assessments, charges and payments relating to, or arising in respect of, periods on or prior to the Closing Date, and Buyer shall be liable for that portion of such assessments, charges and payments relating to, or arising in respect of, any period after the Closing Date; provided, that Buyer shall promptly pay over to the Seller Parties any prepayments by any Seller Party of any such charges and rental payments that exceed such Seller Party's prorated obligations.

4.18 Accounts Receivable; Accounts Payable.

(a) The Seller Parties shall retain all accounts receivable arising out of the operation of the Business and specimens received by the Seller Parties prior to the Closing Date, plus accounts receivable from the Add-On Testing Services, and, except as otherwise set forth in the Transition Services Agreement, Buyer shall retain all accounts receivable arising out of the operation of the Business and specimens received by Buyer on and after the Closing Date. After the Closing, Buyer and the Seller Parties shall forward to the other party any funds which are received by such party but relate to the accounts receivable of the other party. Notwithstanding anything to the contrary stated herein, neither party shall have any responsibility to collect any of the other party's accounts receivable except as otherwise set forth in the Transition Services Agreement.

(b) Subject to the terms and conditions of the Transition Services Agreement, after the Closing Date, Buyer shall promptly (and in any event no later than ten (10) days prior to the Penalty Date, as defined below) forward to the Seller Parties any invoices, bills, notices or requests for payments relating to any accounts payable or other accruals related to the Business arising prior to the Closing Date ("Pre-Closing Payables"). Promptly upon receipt, and in any event no later than the expiration of the period of time during which such payables may be paid without the incurrence of any interest penalty, late fee or other additional charge thereon (the "Penalty Date"), the Seller Parties shall pay all such bona fide Pre-Closing Payables (it being understood that where any such Pre-Closing Payable is the subject of a bona fide good faith dispute between Seller and the third party claiming such amount, the Seller Parties may delay payment of such Pre-Closing Payable until such dispute is resolved). In the event the Seller Parties shall fail to pay any bona fide Pre-Closing Payable (including any interest penalties, late fees or other charges thereon) within thirty (30) days after the Penalty Date (other than in the event of a bona fide good faith dispute as described above), upon thirty (30) days' prior written notice to the Seller Parties, if Buyer reasonably believes that the ongoing failure to pay such bona fide Pre-Closing Payables is reasonably likely to result in damages to the operation of the Business, then Buyer shall have the right to pay such bona fide Pre-Closing Payable on behalf of the Seller Parties (including any interest penalties, late fees or other charges thereon) and, in addition to any other rights or remedies of Buyer set forth herein (including rights to indemnification set forth in Article X), Buyer shall have the right to off-set the amount of such bona fide Pre-Closing Payable (including any interest penalties, late fees or other charges thereon) from any funds which are received by Buyer post-Closing in respect of accounts receivable arising out of the operation of the Business prior to the Closing which would otherwise be owed to the Seller Parties by Buyer pursuant to Section 4.18(a).

(c) Subject to the terms and conditions of the Transition Services Agreement, after the Closing Date, the Seller Parties shall promptly forward to Buyer any invoices, bills, notices or requests for payments relating to any accounts payable or other accruals related to the Business arising on and after the Closing Date (“Post-Closing Payables”). Promptly upon receipt, and in any event no later than the Penalty Date, Buyer shall pay all such bona fide Post-Closing Payables (it being understood that where any such Post-Closing Payable is the subject of a bona fide good faith dispute between Buyer and the third party claiming such amount, Buyer may delay payment of such Post-Closing Payable until such dispute is resolved). In the event Buyer shall fail to pay any bona fide Post-Closing Payable (including any interest penalties, late fees or other charges thereon) within thirty (30) days after the Penalty Date (other than in the event of a bona fide good faith dispute as described above), upon thirty (30) days’ prior written notice to Buyer, the Seller Parties shall have the right to pay such bona fide Post-Closing Payable on behalf of Buyer (including any interest penalties, late fees or other charges thereon) and, in addition to any other rights or remedies of the Seller Parties set forth herein (including rights to indemnification set forth in Article X), the Seller Parties shall have the right to off-set the amount of such bona fide Post-Closing Payable (including any interest penalties, late fees or other charges thereon) from any funds which would otherwise be owed by Seller or any of its Affiliates to Buyer.

4.19 Add-On Testing Services. Following the Closing, Seller Parties shall continue to perform the Add-On Testing Services in the ordinary course of business; provided that after the Add-On Testing Period, Add-On Testing Services shall be processed in accordance with the Transition Services Agreement.

4.20 Wrong Pockets. If, following the Closing, any Excluded Asset or Excluded Liability is inadvertently transferred from the Seller Parties to Buyer, Buyer shall execute, deliver and record (where appropriate) any and all instruments or other documents of transfer, conveyance and assignment, or amend or correct any such existing instruments or documents, and take such other action as the Seller Parties may reasonably request, as may be necessary or advisable to effect or evidence the transfer of such Excluded Assets or Excluded Liabilities to Seller and its Affiliates (or to any Person as directed by the Seller Parties) in accordance with the terms of this Agreement, and agrees, at the Seller Parties’ option, to return or destroy any Confidential Information related to such Excluded Assets or Excluded Liabilities. Any such Confidential Information inadvertently transferred to Buyer shall remain subject to the confidentiality obligations contained in the Confidentiality Agreement and pursuant to Section 4.1. If, following the Closing, any Purchased Asset or Assumed Liability, or following the termination of the TSA Term with respect to any TSA Purchased Asset, is inadvertently retained by the Seller Parties, the Seller Parties shall execute, deliver and record (where appropriate) any and all instruments or other documents of transfer, conveyance and assignment, or amend or correct any such existing instruments or documents, and take such other action as Buyer may reasonably request, as may be necessary or advisable to effect or evidence the transfer of such Purchased Assets or Assumed Liability to Buyer and its Affiliates (or to any Person as directed by Buyer) in accordance with the terms of this Agreement and the Transition Services Agreement.

4.21 Information Technology; Assistance with Integration.

(a) At the Agreement Date until the Closing, the Seller Parties shall deliver to Buyer, consistent with applicable Law, (i) every two weeks during the Interim Period, updates to

(A) the Customer Cross Reference Data in the form of Annex A, (B) the Business Data in the form of Annex C, and (C) the Financial Data in the form of Annex E, (ii) any time there are material changes during the Interim Period, updates to (A) the Business Customer Revenue Attributable by Sales Representative in the form of Annex B, (B) updates to the open Standing Orders and Hold Orders attributable to each Business Customer by practice in the form of Section 2.7(a)-3 of the Disclosure Schedules, and (C) the Test Cross Reference Data in the form of Annex F, in each case, with all fields accurately updated and completed as of each such date (including to reflect any new customer accounts gained since the previous date of delivery, as applicable). At or prior to the Closing, Seller shall deliver to Buyer, consistent with applicable Law, a reasonably comprehensive list of all client hardware deployed in the field that facilitates client connectivity, including, to the extent applicable, client computers, laptops, laser printers, label printers, fax machines, and broadband equipment provided to clients.

(b) During the Interim Period, consistent with applicable Law, Seller and Seller Parent shall reasonably cooperate with Buyer, provide Buyer reasonable access to, and shall make its employees reasonably available for, general informational and Business Customer pre-planning meetings as well as arranging for introductory visits with any and all Business Customers that Buyer reasonably requests as soon as reasonably practicable after the Agreement Date. Seller and Seller Parent shall provide information and access, during normal business hours (and upon reasonable prior notice), consistent with applicable Law, reasonably requested by Buyer for the express and limited purpose of facilitating Buyer's integration activities with respect to the Business, including facilitating the technical development of the Interfaces (as defined below) as promptly as reasonably practicable on and after the Agreement Date, deactivating existing lines as may be mutually agreed upon, and when reasonably necessary, facilitating the drop off to Buyer of supplies for Buyer's use from and after the Closing, and performing such other activities as are reasonably necessary in order to transition the Business from Seller to Buyer effective from and after the Closing. Buyer shall use commercially reasonable efforts to seek any such reasonable access contemplated in this Section 4.1 and Section 4.21 in a manner that does not unreasonably interfere with the day-to-day operation of the business of Seller, Seller Parent or their respective Affiliates.

(c) Without limiting the foregoing, promptly after the Agreement Date, subject to Antitrust Laws and the terms of any "clean team" agreement among the parties governing the sharing of competitively sensitive information, Seller Parent and Seller shall reasonably cooperate as reasonably requested by Buyer in connection with the building, configuration, completion and testing of (i) the customer interfaces (as may be mutually agreed upon) with Buyer's LIS that will allow the ordering of tests and reporting of test results (the "Customer Interfaces") and (ii) the mutually designed reference interfaces needed to support the services contemplated under the Transition Services Agreement (the "Reference Interfaces" and together with the Customer Interfaces, the "Interfaces") after the Closing. It is understood and agreed that the parties shall (A) commence preparation of Reference Interfaces promptly after the Agreement Date, (B) cooperate to move certain mutually agreed upon groups of tests over to the Reference Interfaces on a rolling basis during the Interim Period, and (C) use commercially reasonable efforts to complete the Reference Interfaces by the Closing Date and in any event no later than thirty (30) days after the Closing Date. Buyer shall use commercially reasonable efforts to complete the Interfaces in a manner so as to not unreasonably interfere with the day-to-day operations of Seller, Seller Parent or their Affiliates. Furthermore, Seller shall facilitate the ingestion of (i) patient history data related

to histology samples as permitted by applicable Law, with such results to be integrated into Buyer's Application Laboratory Information Management System for correlation, and (ii) open orders, pending orders and future orders from the Business Customers. All data formatting and timeframe of in-scope data must be mutually reviewed and agreed upon. Buyer's IT Designee should serve as the overall project manager for all integration matters related to IT Assets, capturing all project related tasks, notes, progress, and status updates with input from the Seller's IT Designee, which input Buyer's IT Designee shall consider in good faith. Buyer's IT Designee shall adhere to Buyer's integration processes, including, without limitation, participating in, and providing status updates during, periodic status update conferences. Buyer shall distribute a weekly project update to all parties. In addition to the foregoing, Buyer and Seller (or their respective IT Designees) shall cooperate in good faith to establish a mutually agreeable, written governance framework to oversee the progress of the development of the Interfaces. In the event of material delays with the building, configuration, completion and testing of the Interfaces, Buyer's IT Designee and Seller's IT Designee shall cooperate in good faith to resolve any such delays.

(d) The parties shall each appoint individuals to serve as project leads and primary contact persons with respect to completion of the Interfaces (the "LIS Project") and all other integration matters related to the IT Assets (each such individual, an "IT Designee"). The IT Designees will meet (in person, via teleconference or video conference) no less than weekly (unless otherwise mutually agreed between Buyer and Seller) to discuss the LIS Project and reasonably cooperate and provide status updates to Buyer and Seller with respect to the completion of the LIS Project or any amendments or modifications to the Interfaces on a weekly basis until such LIS Project is complete, or upon such other timeframes as mutually agreed to by the parties. Seller's IT Designee shall serve as a point of contact and coordination for all IT Asset-related questions and issues relating to Buyer's integration activities with respect to the Business from and after the Agreement Date, including with respect to any related activities as are reasonably necessary in order to transition the Business from Seller to Buyer effective from and after the Closing. Seller's IT Designee shall have the authority to, and Seller shall cause its IT Designee to, provide (i) Buyer with access to the Transferring Real Property, Business Customers, vendors and information that is reasonably requested by Buyer in connection with the transition of the Business from Seller to Buyer effective from and after the Closing and during the term of the Transition Services Agreement and (ii) vendors of Buyer with access to the Transferring Real Property within five (5) Business Days following Buyer's request therefor, for the express and limited purpose of completion of the LIS Project, provided that this shall be subject to applicable Law.

(e) During the Interim Period, the Seller Parties shall promptly conduct reasonable knowledge transfer and training sessions for Buyer's employees with respect to the Seller Parties' compendium and Business Customer connectivity solutions known to and used by the Seller Parties in connection with the Business. Without limiting the generality of the foregoing, representatives of Buyer and Seller shall meet (in person, via teleconference or video conference) no less than twice per week (unless otherwise mutually agreed between Buyer's and Seller's respective IT Designees) to discuss integration and transition status and efforts for the Interfaces.

(f) No later than seven (7) days before the Closing Date, the Seller Parties shall afford Buyer with unlimited access to the Transferring Real Property (subject to restrictions contained in the applicable Transferring Real Property Lease) for the express and limited purpose of facilitating Buyer's integration activities with respect to the Business including preparation for

the services contemplated to be provided under the Transition Services Agreement; provided that the parties agree that, at least thirty (30) days prior to the Closing Date, the parties shall use commercially reasonable efforts to enter into an agreement to provide Buyer with access to the premises located at 481 Edward H. Ross Drive, Elmwood Park, NJ 07407, on such terms as the parties may reasonably agree.

(g) No Seller Party shall have any obligation to share any customer information necessary for reference interfaces or laboratory access except as may be shared subject to Antitrust Laws and the terms of any “clean team” agreement among the parties governing the sharing of competitively sensitive information.

4.22 Transferring Real Property. Seller shall use commercially reasonable efforts (and Buyer shall reasonably cooperate with Seller) to renew or enter into an extension each of the Transferring Real Property Leases that (i) are expired as of the Agreement Date, (ii) are currently renewing on a month-to-month basis, or (iii) will expire or terminate in accordance with the terms thereof during the Interim Period, in each case, for a term no shorter than the existing term of such Transferring Real Property Leases as of the date of this Agreement; provided that such term is at least twelve (12) months in duration.

4.23 Cooperation under the Transition Services Agreement.

(a) Seller shall not, and Seller Parent shall cause Seller not to, take any action that would reasonably be expected to adversely impact, hinder, delay or prohibit the parties to the Transition Services Agreement from fully performing any obligations thereunder, including taking any action that would result in the dissolution of Seller or the transfer, assignment, licensing or distribution of any material assets necessary to perform the TSA Services.

(b) At the end of the TSA Term, or such other time as may be reasonably requested by Buyer during the TSA Term, the Seller Parties shall take all actions reasonably necessary to effectuate the transfer of ownership of the PMA to Buyer, including (i) promptly providing written notice and all other necessary documentation to FDA of the change in ownership; (ii) fulfilling all requirements under applicable Laws to effectuate such change in ownership; and (iii) cooperating with all reasonable instructions and requests of Buyer. The parties agree that such change in ownership of the PMA will not result in any material changes in the location, components, raw materials, equipment, procedures, personnel, or quality management systems for the manufacture and performance of the 4Kscore Test.

4.24 Negotiation of Ancillary Agreements. During the Interim Period, the Seller Parties and Buyer shall negotiate in good faith to agree upon the final form of the Transition Services Agreement, which shall be in a form and substance acceptable to Buyer and Seller and shall be consistent with the terms of Exhibit B.

4.25 Termination of Intellectual Property Agreements. Each of (a) the Intellectual Property Agreement, by and among the parties hereto, effective as of September 16, 2024, and (b) the Intellectual Property Agreement accompanying the March 10, 2025 Asset Purchase Agreement, by and among the parties hereto, effective as of September 15, 2025, shall terminate automatically effective upon the Closing without any further notice or action required from any party thereto to

effectuate such termination and without any rights or obligations thereunder surviving such termination.

4.26 Further Assurances. Upon the request of either of the Seller Parties or Buyer, each of the parties hereto will execute and deliver such other bills of sale, assignments and other instruments as may be reasonably requested by any party to effect the sale, conveyance and delivery of the Purchased Assets to Buyer including the TSA Purchased Assets and any other Nonassignable Items subject to Section 4.5(c). From and after the Closing Date, upon the request of either of the Seller Parties or Buyer, each of the parties hereto will do, execute, acknowledge and deliver all such further acts, assurances, deeds, assignments, transfers, conveyances and other instruments and papers as may be commercially reasonable to carry out the transactions contemplated hereunder. The Seller Parties will refer all customer inquiries relating to the Business to Buyer from and after the Closing except as may otherwise be set forth in the Transition Services Agreement.

ARTICLE V

EMPLOYEE MATTERS

5.1 Employee Matters.

(a) Unless Seller or Seller Parent otherwise consents in writing, Buyer shall, or shall cause an Affiliate to, offer employment, on an at-will basis, effective as of the Hire Date applicable to those Business Employees who are specifically identified on Schedule 5.1(a), which identifies the Business Employees who are employed by Seller or Seller Parent as of the Closing and whom Buyer determines, in its sole discretion, meet the standards of employment applicable to Buyer's employees generally (each, a "Scheduled Employee"). Any Scheduled Employee who accepts and commences active employment with Buyer effective as of the applicable Hire Date shall be referred to herein as a "Hired Employee", with such employment to be conditioned upon the consummation of the transactions contemplated by this Agreement and the Ancillary Agreements; provided, however, that with respect to any Scheduled Employee who is not actively employed at the time such offers are made because such employee is on a leave of absence (other than regularly scheduled vacation) (the "Leave of Absence Employees"), Buyer shall be under no obligation to make an offer to any such Leave of Absence Employees unless and until such Leave of Absence Employee returns to active employment on or within three (3) months following the applicable Hire Date; and provided, further, that, notwithstanding anything in this Agreement to the contrary, Buyer shall have no Liability with respect to any Leave of Absence Employee unless such employee returns to active employment on or within three (3) months of the applicable Hire Date and accepts Buyer's offer of employment within such time; and provided, further, that Buyer shall not use any such leave of absence as cause to modify, alter, or change any proposed offer of employment to the detriment of such Leave of Absence Employee. All Scheduled Employees, other than Leave of Absence Employees, shall be employed on a substantially uninterrupted basis by Buyer as of the applicable Hire Date.

(b) Immediately after the Agreement Date and throughout the Interim Period, Seller Parties shall use their good faith, best efforts to (i) maintain and honor all commitments set forth in the Contracts in place between the Seller Parties and the Key Employees as of the

Agreement Date, (ii) encourage the Key Employees to enter into agreements with Buyer, in form and substance satisfactory to Buyer in its sole discretion, to be effective as of the Closing Date provided that such agreements are compliant with Section 5.1(c), (iii) provide Buyer with reasonable access to such Key Employees during the Interim Period in order to engage with them on prospective employment opportunities with Buyer contingent upon the Closing of the transactions contemplated hereby, and (iv) reasonably assist Buyer with integration planning, including facilitating informational and Business Customer planning meetings in preparation for Closing as well as arranging for introductory visits with any and all Business Customers that Buyer reasonably requests, in each case, in compliance with applicable Law.

(c) As of the applicable Hire Date each Hired Employee who is actively at work as of the applicable Hire Date shall receive from Buyer, until the first anniversary of the Closing Date, salary, bonus, severance and employee benefit plan opportunities that are substantially comparable to the salary, bonus, severance and employee benefits provided to similarly situated employees of Buyer.

(d) Subject to Information Privacy and Security Laws and other applicable Laws, Seller will make available to Buyer the following true, accurate, and complete information regarding each Scheduled Employee and any other TSA Employees: (i) name, (ii) employing Entity, (iii) salary or other rate of base pay, if applicable, (iv) other compensation (including bonus target, incentive compensation target, deferred compensation, and commissions arrangements), (v) severance and employee benefit plan opportunities, (vi) status as an exempt or non-exempt under the Fair Labor Standards Act and any similar wage and hour law, (vii) status as a full-or part-time employee, (viii) job title or position, (ix) status as an active or inactive employee (and, if on leave, the nature of the leave and the expected return date, if known), (x) work authorization, if not a citizen or permanent resident, (xi) address, and (xii) whether such Business Employee is primarily or exclusively working for the Business (the "Employee Census Information"). Unless Buyer otherwise consents in writing, every two weeks from the period between the date hereof and the expiration or termination, as the case may be, of the Transition Services Agreement, Seller shall provide Buyer with written notice of any updates to the Employee Census Information; *provided* that it is understood and agreed that such updated Employee Census Information during the period between Closing and the expiration or termination, as the case may be, of the Transition Services Agreement, shall only apply to the TSA Employees. Buyer and Seller shall in good faith mutually agree upon any form of written communication to be provided by Buyer to the applicable Scheduled Employees describing the offer process for those Scheduled Employees with a Hire Date effective as of the Closing Date.

(e) Seller, Seller Parent and Buyer intend that the transactions contemplated by this Agreement shall not result in a severance of employment of any Hired Employee for purposes of any benefit plan maintained by Seller or Seller Parent ("Seller Plans"), that the Hired Employees shall have continuous and uninterrupted employment immediately before, on, and immediately after the applicable Hire Date, and Buyer, Seller and Seller Parent shall use reasonable efforts to ensure the same. Any severance or other payments that might become payable to any Business Employee whether or not such individual becomes a Hired Employee shall be the sole responsibility of the Seller Parties. For purposes of eligibility to participate, vesting, benefit accruals and level of benefits (except as otherwise specifically provided below) under any benefit plan maintained by Buyer and/or its Affiliates providing benefits to any Hired Employee after the

applicable Hire Date, each Hired Employee shall be credited with his or her years of service with Seller and its Affiliates (and any predecessors) prior to the applicable Hire Date, to the same extent as such Hired Employee was (or would have been) entitled, before the Agreement Date, to credit for such service under Seller Plans; provided, however, that such service need not be recognized (i) to the extent that such recognition would result in any duplication of benefits for the same period of service, (ii) for any purpose under any defined benefit retirement plan, retiree welfare plan, equity-based incentive plan or long-term incentive plan (including any cash balance plan or employee stock purchase plan of Buyer or its Affiliates), (iii) to the extent not recognized by Seller or Seller Parent for similar purposes, (iv) for purposes of any plan, program or arrangement (A) under which similarly situated employees of Buyer and its Affiliates do not receive credit for prior service or (B) that is grandfathered or frozen, either with respect to level of benefits or participation, or (v) discretionary contributions under Buyer's employees' retirement savings plan. To the extent that Buyer maintains a similar Employee Benefit Plan providing health and welfare benefits, for each Hired Employee, Buyer and/or its Affiliates shall take commercially reasonable steps to (x) waive any applicable waiting periods, pre-existing conditions or actively-at-work requirements (y) subject to each Hired Employee providing a copy of their explanation of benefits, statement, provide full credit to each Hired Employee or spouse or dependent thereof for any copayments, deductibles, out-of-pocket expenses and for any lifetime maximums paid by such Hired Employee or spouse or dependent thereof under the comparable Seller Parent Benefit Plan during the relevant plan year up to and including the Closing as if such amounts had been paid under such Buyer's health and welfare plans. The Seller Parties shall be solely responsible, and Buyer shall have no obligations whatsoever for, any amounts accrued or payable to any current or former employees (including Hired Employees), including accrued vacation for which Buyer is not providing credit for any period relating to the service with Seller or Seller Parent, as applicable, at any time on or prior to the applicable Hire Date or due to termination by either Seller Party or its Affiliates on or prior to the applicable Hire Date.

(f) If, as a result of the transactions contemplated by this Agreement, Seller or any of its Affiliates are required before, on or after the Closing to provide notice of any employment loss to any Business Employee or other Person under the WARN Act or any applicable foreign, state or local laws, regulations or ordinances related to plant closings, relocations, mass layoffs or employment losses, the Seller Parties shall provide, or arrange for the provision of, all such required notices and make any required payments within the time periods required by applicable Law (collectively, "WARN Laws"). The Seller Parties shall provide Buyer with a reasonable opportunity to review and comment upon all such notices before the notices required by WARN Laws are provided to affected employees, governmental agencies or other Persons. Seller shall bear any and all obligations and Liability under the WARN Laws resulting from employment losses arising in connection with the transactions contemplated in this Agreement, including without limitation the provision or failure to provide notice requirements, including any required notices to Hired Employees, and make any required payments under the WARN Laws. Buyer shall be responsible for compliance with WARN Laws with respect to the Hired Employees following the applicable Hire Date.

(g) [***]

(h) As a condition to employment, Buyer may require each Hired Employee to enter into non-competition, non-solicitation and confidentiality agreements in substantially the

same form as required by Buyer of similarly situated employees. From the date of this Agreement until the expiration date of the applicable Employee Restrictive Covenant provision, each Seller Party shall use its reasonable best efforts to enforce any and all Employee Restrictive Covenants with respect to each Key Employee and commercially reasonable efforts to enforce any and all Employee Restrictive Covenants for any other Business Employee, in each case, subject to an Employee Restrictive Covenant; provided, however, that the Seller Parties shall not seek to enforce any Employee Restrictive Covenant against Buyer or any Business Employee with respect to the transactions contemplated by this Agreement.

The provisions of this Section 5.1 are solely for the benefit of the parties, and no provision of this Section 5.1 is intended to, or shall, constitute the establishment or adoption of or an amendment to any Employee Benefit Plan for purposes of ERISA or otherwise, or result in any current or former director, employee, consultant of Seller or Seller Parent or any other individual associated therewith being regarded for any purposes as a third party beneficiary of this Agreement or have the right to enforce the provisions hereof.

ARTICLE VI

TAX MATTERS

6.1 Transfer Taxes. The Seller Parties shall be responsible for, and shall pay all transfer, documentary, sales, use, stamp, real property transfer, registration and other similar Taxes and any conveyance fees or recording charges incurred in connection with the transactions contemplated hereunder (the “Transfer Taxes”); provided that Buyer shall reimburse the applicable Seller Party promptly following receipt of evidence of such payment for one-half of the Transfer Taxes. Buyer and the Seller Parties further agree, upon request, to use their commercially reasonable efforts to obtain any certificate or other document from any Governmental Authority or any other person as may be necessary to mitigate, reduce or eliminate any Transfer Tax that could be imposed with respect to the transactions contemplated hereunder. The Seller Parties shall file or cause to be filed all Tax Returns required to be filed in connection with any such Transfer Taxes.

6.2 Apportioned Obligations. Subject to Section 6.3 hereof, the Seller Parties shall be solely responsible for and shall pay, without any cost to Buyer, any and all Taxes assessed against or payable by the Seller Parties, arising from the operation of the Business, the Assumed Liabilities or the Purchased Assets prior to Closing (regardless of whether the filing of any Tax Return with respect thereto or payment of any amount in respect thereof is filed, paid or due prior to, on or after the Closing Date) or relating to the Excluded Assets or Excluded Liabilities. Buyer shall be solely responsible for and shall pay, without any cost to the Seller Parties, any and all Taxes assessed against or payable by Buyer, arising from the operation of the Business, the Assumed Liabilities or the Purchased Assets after the Closing. Liability for all real property Taxes, personal property Taxes and similar ad valorem obligations (the “Apportioned Obligations”) levied with respect to the Business, the Purchased Assets and the Assumed Liabilities (individually or in the aggregate) for any Tax period beginning on or before the Closing Date and ending after the Closing Date (a “Straddle Period”) shall be apportioned between the Seller Parties and Buyer based on the number of days of such Straddle Period included in the portion of such Straddle Period ending on the Closing Date (a “Pre-Closing Tax Period”) and the number of days of such Straddle Period included in the portion of such Straddle Period beginning after the Closing Date (a “Post-Closing

Tax Period”). The Seller Parties shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the Pre-Closing Tax Period. Buyer shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the Post-Closing Tax Period.

6.3 Tax Cooperation. Buyer, the Seller Parties and their respective Affiliates shall provide each other with such assistance as may reasonably be requested in connection with the preparation of any Tax Return, application for exemption or refund of Tax, audit or other examination by any Governmental Authority relating to Liabilities for Taxes, or action, suit, proceeding, claim, arbitration or investigation relating to Liability for Taxes, in all cases to the extent in connection with the Purchased Assets or the Business. The Seller Parties, at their expense, will prepare and timely file all Tax Returns and pay all Taxes owed in respect of the Purchased Assets and the Business for all Tax periods ending on or prior to the Closing Date. Buyer will prepare and timely file all other Tax Returns that are required to be filed in respect of the Purchased Assets and the Business and pay all Taxes owed in respect of the Purchased Assets and the Business for all Tax periods (or portions thereof) beginning after the Closing Date (determined, with respect to any Apportioned Obligations, in accordance with Section 6.2). The Seller Parties will pay any Apportioned Obligations that are due and payable on or prior to the Closing Date, and bill Buyer for any part of that amount apportioned to Buyer (including Buyer’s proportionate portion of any Tax preparation fees). Buyer will pay such Apportioned Obligations that are due and payable after the Closing Date and bill the Seller Parties for any part of that amount apportioned to Seller (including Buyer’s proportionate portion of any Tax preparation fees).

6.4 NYS Form AU-196.10. Within sixty days of the date of this Agreement, Seller Parties shall provide all information (including any information reasonably requested by Buyer) required for Buyer to prepare NYS Form AU-196.10, including the location of the Purchased Assets and the sales price of the Purchased Assets based on the descriptions provided on Section 3(f) of NYS Form AU-196.10. At least ten (10) days prior to Closing (if applicable), Buyer shall file NYS Form AU-196.10 with the NYS Department of Taxation and Finance. Seller Parties agree to use commercially reasonable efforts to assist Buyer in its preparation of Form AU-196.10.

The Seller Parties shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by the Seller Parties at or prior to the Closing, other than the covenants and agreements contained in Section 1.8(a), which shall be performed and complied with in all respects. 8.1 Representations and Warranties; Covenants. Each of the representations and warranties of Buyer contained in this Agreement shall be true and correct (disregarding for purposes of this condition any materiality or Buyer Material Adverse Effect qualification therein) at and as of the Agreement Date and at and as of the Closing Date, with the same effect as though made at and as of the Closing Date, except for such failures of such representations and warranties to be true and correct as would not have or reasonably be expected to have, individually or in the aggregate, a Buyer Material Adverse Effect. Buyer shall have performed and complied in all material respects with all covenants and agreements required by this Agreement to be performed or complied with by Buyer at or prior to the Closing, other than the covenants and agreements contained in Section 1.8(b), which shall be performed and complied with in all respects. 9.1 Termination. This Agreement may be terminated at any time prior to the Closing:

(b) by mutual written consent of Buyer and Seller;

(c) by either Buyer or Seller, by providing written notice to the other at any time after April 14, 2027 (such date, as may be extended pursuant to the following proviso, the “Outside Date”), if the Closing has not occurred by reason of the failure of any condition set forth in Article VII, in the case of Buyer, or Article VIII, in the case of Seller, to be satisfied (unless such failure is the result of one or more breaches or violations of, or inaccuracy in any covenant, agreement, representation or warranty of this Agreement by the terminating party); provided, however, that Buyer and Seller may mutually agree in writing to extend the Outside Date;

(d) by either Buyer or the Seller Parties, by giving written notice to the other party, if (i) any Governmental Authority of competent jurisdiction shall have issued an Order permanently restraining or enjoining the consummation of the transactions contemplated by this Agreement, and such Order shall have become final and non-appealable; provided, however, that the right to terminate this Agreement under this clause (i) of this Section 9.1(c) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the cause of, or resulted in, such Order or (ii) there shall be a Law that makes the consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited;

(e) by Buyer by giving written notice to the Seller Parties, if the Seller Parties materially breach or fail to perform any representation, warranty, covenant or other agreement contained herein and such breach or failure to perform, if curable prior to the Outside Date, has not been cured within the earlier of the Outside Date or ten (10) Business Days following Buyer’s delivery of written notice of such breach or failure to perform and, if not cured within such period and at or prior to the Closing, such material breach or failure to perform would result in the failure of the condition set forth in Section 7.1;

(f) by the Seller Parties by giving written notice to Buyer, if Buyer materially breaches or fails to perform any representation, warranty, covenant or other agreement contained herein and such breach or failure to perform, if curable prior to the Outside Date, has not been cured within the earlier of the Outside Date or ten (10) Business Days following the Seller Parties’ delivery of written notice of such breach or failure to perform and, if not cured within such period and at or prior to the Closing, such material breach or failure to perform would result in the failure of the condition set forth in Section 8.1; or

(g) by Buyer by giving written notice to the Seller Parties, in the event a Security Incident has occurred following the Agreement Date that has materially and adversely impacted or impaired the operation of the Business.

9.2 Effect of Termination.

(a) Upon termination of this Agreement pursuant to Section 9.1, except for the obligations contained in Section 3.5 (*Brokers or Finders*), Section 4.1 (*Confidentiality*), Section 4.2 (*Public Statements and Internal Communications*), this Section 9.2 and Article XI (in each case together with any related definitions contained in Exhibit A), which will survive any termination of this Agreement, this Agreement will forthwith become null and void, and no party, nor any of such party's respective members, managers, directors, officers, employees, agents, consultants, equityholders, or principals will have any liability hereunder or with respect hereto, except that nothing contained herein shall relieve any party from liability for any knowing or intentional breach of any covenant or agreement contained herein.

(b) If this Agreement is terminated by Buyer or Seller pursuant to Section 9.1(b) or Section 9.1(c), in either case solely as a result of the failure of any of the conditions set forth in Sections 7.2, 7.3, 7.6, 8.2, 8.3 or 8.4 to have been satisfied, then Buyer shall pay to Seller a termination fee equal to \$28,880,000 (the "Termination Fee") promptly, and in any event within five (5) Business Days after termination of this Agreement by Seller or in the case of a termination by Buyer, prior to and as a condition to such termination, by wire transfer of immediately available funds to an account designated in writing by Seller. Each of the Seller Parties and Buyer acknowledge and agree that if any of the conditions set forth in Article VII other than Sections 7.2, 7.3 or 7.6 are not satisfied (other than those conditions requiring the delivery of a certificate or other document or the taking of other action at the Closing) or waived at the time of such termination, Seller shall have no right to receive the Termination Fee from Buyer.

(c) Seller's right to receive the Termination Fee from Buyer pursuant to Section 9.2(b) (in those instances in which the Termination Fee is payable pursuant to Section 9.2(b)) shall, except for claims with respect to the provisions of this Agreement which survive the termination of this Agreement in accordance with Section 9.2(a), constitute the sole and exclusive remedy of Seller and its Affiliates (whether at law, in equity, in contract, in tort or otherwise) against Buyer, its Affiliates and Representatives for any breaches, Losses and damages suffered as a result of the failure of the transactions contemplated hereby to be consummated, and upon payment of the Termination Fee after a termination of this Agreement by a party entitled to terminate in accordance with Section 9.1(b), except for claims with respect to the provisions of this Agreement which survive the termination of this Agreement in accordance with Section 9.2(a) (including for the avoidance of doubt, in case of any knowing or intentional breach or Fraud), no Person shall have any rights or claims against Buyer, its Affiliates and Representatives under this Agreement or otherwise, whether at law or equity, in contract, in tort or otherwise, and none of Buyer, its Affiliates or Representatives shall have any further liability or obligation relating to or arising out of this Agreement or the transactions contemplated hereby.

(d) The parties hereto acknowledge and agree that (i) the agreements contained in this Section 9.2, are an integral part of the transactions contemplated by this Agreement, (ii) without these agreements, the parties would not have entered into this Agreement and (iii) any

amount payable pursuant to this Section 9.2 is not a penalty but rather is liquidated damages and a good faith and fair estimate of the losses that Seller would suffer, and none of Seller nor any other Person shall be required to prove any actual damages. Accordingly, if Buyer fails to pay the Termination Fee when payable in accordance with Section 9.2(b), and, in order to obtain such payment, Seller commences a suit for payment of the Termination Fee that results in a final and non-appealable judgment against Buyer for the Termination Fee, Buyer shall pay to Seller its costs and expenses (including reasonable attorney fees) in connection with such suit, together with interest on the aggregate of such amount plus the Termination Fee at the per annum rate of six percent (6.0%) for the period commencing on the date on which Buyer was required to have paid the Termination Fee in accordance with Section 9.2(b) through the date immediately preceding the date on which Buyer makes such payment.

ARTICLE X

SURVIVAL, INDEMNIFICATION AND REMEDIES

10.1 Survival. The representations and warranties contained in Article II and Article III shall survive the Closing for a period of twelve (12) months after the Closing Date (the “General Survival Period”); provided, however, that (a) the Fundamental Representations, other than the representations and warranties contained in Section 2.15(c) (*Privacy and Data Security; Information Technology – Security Incident*) shall survive the Closing until the later of: (i) the sixth anniversary of the Closing Date and (ii) the expiration of the applicable statute of limitations, plus ninety (90) days, (b) the representations and warranties delivered by Seller and Seller Parent pursuant to this Agreement contained in Section 2.15(c) (*Privacy and Data Security; Information Technology – Security Incident*) shall survive the Closing for a period of eighteen (18) months after the Closing Date, and (c) the representations and warranties delivered by Seller and Seller Parent pursuant to this Agreement contained in Section 2.17 (*Tax Matters*) shall survive the Closing until the expiration of the applicable statute of limitations, plus ninety (90) days. The representations and warranties of Buyer (other than the Buyer Fundamental Representations) shall survive the Closing until the expiration of the General Survival Period, and the Buyer Fundamental Representations shall survive the Closing until the later of: (i) the sixth anniversary of the Closing Date and (ii) the expiration of the applicable statute of limitations, plus ninety (90) days. Any claims with respect to breaches of covenants or agreements contained in this Agreement that are required to be performed or complied with in their entirety prior to the Closing shall survive the Closing until the expiration of the General Survival Period. Any claims with respect to covenants and agreements contained in this Agreement that by their terms are required to be performed or complied with in whole or in part following the Closing Date (or termination of this Agreement, as applicable) shall survive the Closing and shall expire upon the later of (a) the date of full and final performance of the related obligation, and (b) the date that is ninety (90) days following the expiration of longest permitted applicable statute of limitations under applicable Law with respect to the subject matter thereof. Notwithstanding the foregoing, any obligations under this Article X shall not terminate with respect to any Losses as to which an Indemnified Party shall have given notice to the party or parties against whom indemnification is sought (the “Indemnifying Party”) in accordance with Section 10.3 before the termination of the applicable survival period. The limitations in this Article X shall not apply in the case of Fraud.

10.2 Indemnification.

(a) Subject to the limitations set forth in this Article X, following the Closing, Seller and Seller Parent, jointly and severally, shall indemnify and hold harmless Buyer and its Affiliates and their respective Representatives, successors and permitted assigns (collectively, the “Buyer Indemnified Parties”) from and against, and pay to the applicable Buyer Indemnified Parties the amount of, any and all Losses incurred or sustained by the Buyer Indemnified Parties or any of them as a result of or relating to the following:

- (i) any breach or inaccuracy of any of the representations or warranties made by Seller and Seller Parent in Article II;
- (ii) any breach or default, or failure to perform or comply with, of any covenant, agreement or other obligation of Seller or Seller Parent under this Agreement;
- (iii) any Transfer Taxes Seller is responsible for pursuant to Section 6.1 or any Apportioned Obligations that Seller is responsible for pursuant to Section 6.2; or
- (iv) any Excluded Liabilities, Excluded Assets or the Excluded Business.

(b) Subject to the limitations set forth in this Article X, following the Closing, Buyer shall indemnify and hold harmless the Seller Parties and their respective Affiliates and their respective Representatives, successors and assigns (collectively, the “Seller Indemnified Parties”) from and against, and pay to the applicable Seller Indemnified Parties the amount of, any and all Losses incurred or sustained by the Seller Indemnified Parties or any of them as a result of or relating to the following:

- (i) any breach or inaccuracy of any of the representations or warranties made by Buyer in Article III;
- (ii) any Assumed Liability; or
- (iii) any breach or default, or failure to perform or comply with, of any covenant, agreement or other obligation of Buyer under this Agreement.

(c) The waiver of any condition, deliverable or other requirement for consummation of the Closing based on the accuracy of any representation or warranty, or on the performance of or compliance with any such covenant or agreement, will not affect the right to indemnification or any other remedy based on such representations, warranties, covenants and agreements.

(d) For the avoidance of doubt, this Article X provides for indemnification against all Losses incurred or sustained by one or more of the Indemnified Parties as a result of the indemnifiable matters listed in Sections 10.2(a) and 10.2(b), whether such indemnification is (i) pursuant to a direct claim by any Indemnified Party or (ii) against Losses incurred or sustained as a result of a Third Party Claim.

10.3 Indemnification Procedures.

(a) Any Indemnified Party seeking indemnification for any matter under this Article X shall assert such claim (including any Third Party Claim) by delivering notice to the Indemnifying Party (a “Claim Notice”); provided, however, that failure to so notify the Indemnifying Party shall not preclude the Indemnified Party from any indemnification which it may claim in accordance with this Article X, except to the extent that the Indemnifying Party shall have been materially prejudiced by such failure. Each Claim Notice shall contain in reasonable detail the facts giving rise to such applicable claim for indemnification and (if then known) the amount or the method of computation of the amount of such claim, and a reference to the provision of this Agreement upon which such claim is based.

(b) Third Party Claims.

(i) In the event that any Action shall be instituted or that any claim or demand shall be asserted by any third party in respect of which indemnification may be sought under Section 10.2 (a “Third Party Claim”), the Indemnified Party shall promptly deliver a Claim Notice to the Indemnifying Party of the assertion of any Third Party Claim of which it has knowledge which is covered by this indemnity. The failure of the Indemnified Party to reasonably deliver a Claim Notice in respect of any Third Party Claim shall not release, waive or otherwise affect the Indemnifying Party’s obligations with respect thereto except to the extent that the Indemnifying Party shall have been materially prejudiced by such failure.

(ii) The Indemnifying Party shall have the right to conduct (at the Indemnifying Party’s expense) the defense of a Third Party Claim with counsel reasonably satisfactory to the Indemnified Party, upon delivery of notice to such Indemnified Party (the “Defense Notice”) within twenty (20) days after the Indemnifying Party’s receipt of the Claim Notice; provided that the Defense Notice shall specify the counsel the Indemnifying Party will appoint to defend such Third Party Claim. The Indemnified Party shall be entitled to be indemnified for the reasonable fees and expenses of counsel for any period during which the Indemnifying Party has not assumed the defense of any such Third Party Claim in accordance herewith. If the Indemnifying Party delivers a Defense Notice and thereby elects to conduct the defense of the Third Party Claim, (i) such Indemnified Party will reasonably cooperate with and make available to the Indemnifying Party such assistance as the Indemnifying Party may reasonably request in the defense of such Third Party Claim, all at the sole expense of the Indemnifying Party, (ii) the Indemnified Party shall have the right at its sole expense to participate in the defense (including any discussions or negotiations in connection with the settlement, adjustment or compromise) of such Third Party Claim assisted by counsel of its own choosing, (iii) the Indemnifying Party shall deliver to the Indemnified Party, reasonably in advance so as to provide the Indemnified Party a reasonable opportunity to review and comment, copies of all pleadings, notices, offers of settlement and non-privileged communications with respect to such Third Party Claim and (iv) the Indemnifying Party shall keep the Indemnified Party reasonably apprised of developments with respect to such Third Party Claim and the defense thereof.

(iii) Notwithstanding the foregoing, the Indemnifying Party shall not be entitled to control the defense of any Third Party Claim if: (A) such claim for indemnification is with respect to an Action by a Governmental Authority with respect to Taxes relating to the Purchased Assets or the Business, (B) the applicable Indemnified Party has been advised by counsel that a material conflict of interest exists between the Indemnifying Party and such

Indemnified Party with respect to such Third Party Claim, (C) the Indemnifying Party has failed to deliver the Defense Notice or is failing to adequately prosecute or defend such Third Party Claim, or (D) such Third Party Claim seeks (1) an injunction or other equitable relief against such Indemnified Party, (2) involves criminal or quasi criminal allegations, or (3) involves a claim in an amount which, together with previous and pending claim amounts, would exceed the Maximum Cap. In the event that (x) outside counsel to the Indemnified Party shall in good faith determine that there are one or more legal defenses available to an Indemnified Party that are different from or additional to those available to the Indemnifying Party and that are not thereafter asserted by the Indemnifying Party on the Indemnified Party's behalf or (y) there exists a conflict of interest between the Indemnifying Party and the Indemnified Party that cannot be waived, the Indemnifying Party shall be liable for the reasonable fees and expenses of one law firm to the Indemnified Party. If the Indemnifying Party elects not to compromise or defend such Third Party Claim, fails to timely deliver a Defense Notice as provided in this Agreement, or is not entitled to assume the defense under the terms of this Agreement, then the Indemnified Party may pay, settle, compromise and defend such Third Party Claim and seek indemnification for any and all Losses to the extent indemnifiable pursuant to this Article X. If an Indemnified Party settles a Third Party Claim without the prior written consent of the applicable Indemnifying Party (such consent not to be unreasonably withheld, conditioned or delayed), then such settlement shall not be determinative of the amount or existence of Losses for which the Indemnifying Party is liable hereunder; provided that, in no event shall the Indemnifying Party be liable for any amount in excess of the Losses awarded or agreed upon with respect to such settlement. If the Indemnifying Party assumes the defense of an Action, no compromise or settlement of such claims may be effected by the Indemnifying Party without the Indemnified Party's consent unless (1) there is no finding or admission of any violation of any Law or order of any Governmental Authority or any violation of the rights of any Person and no effect on any other claims that may be made against the Indemnified Party, and (2) the sole relief provided is monetary damages that are paid in full by the Indemnifying Party and (3) the Indemnified Party will have no liability or obligation with respect to any compromise or settlement of such claims effected without its consent, and such compromise or settlement provides for a complete, unconditional release in customary form from all obligations and liabilities of the Indemnified Party with respect to such claim.

10.4 Limitations on Indemnification; Satisfaction of Indemnification Claims; Escrow.

(a) All claims for indemnification by a Buyer Indemnified Party under this Article X shall be satisfied first from the Escrow Fund in the Escrow Account, and if the Escrow Fund has been exhausted or is otherwise insufficient or unavailable to fully satisfy such claim, then from Seller and Seller Parent, jointly and severally, subject to the limitations contained in this Article X; provided that:

(i) the Indemnifying Party shall not be liable for any such claim for indemnification under Section 10.2(a)(i) (other than with respect to claims based on any inaccuracy in or breach of Fundamental Representations or the representations and warranties of Seller and Seller Parent in Section 2.17 (Tax Matters)) (such claims, the "General Claims") (or series of related General Claims) unless and until the aggregate of all indemnifiable Losses that may be recovered from such Indemnifying Party pursuant to Section 10.2(a)(i) exceeds one percent (1%) of the Purchase Price (the "Deductible") and then such Indemnifying Party shall be liable only for those amount in excess of the Deductible; and

(ii) the maximum aggregate Liability of an Indemnifying Party with respect to General Claims shall not exceed an amount equal to ten percent (10%) of the Purchase Price (the “General R&W Cap”).

(b) With respect to any claim by a Buyer Indemnified Party pursuant to Section 10.2(a)(i) based on any inaccuracy in or breach of Fundamental Representations or the representations and warranties of Seller and Seller Parent in Section 2.17 (Tax Matters), Buyer shall first satisfy the Losses therefrom from the Escrow Fund in the Escrow Account, and if the Escrow Fund has been exhausted or is otherwise unavailable or insufficient to fully satisfy such claims, from Seller and Seller Parent, jointly and severally, directly up to the amount of the Purchase Price (the “Maximum Cap”). Neither the General R&W Cap nor the Maximum Cap shall apply to claims by Buyer Indemnified Parties pursuant to Section 10.2(a)(ii), Section 10.2(a)(iii) or Section 10.2(a)(iv); provided that, with respect to any such claim, Buyer shall first satisfy the Losses therefrom from the Escrow Fund in the Escrow Account, and if the Escrow Fund has been exhausted or is otherwise unavailable or insufficient to fully satisfy such claim, from Seller and Seller Parent, jointly and severally.

(c) The amount of any Losses suffered by any Indemnified Party shall be calculated after giving effect to any payments from such Indemnified Party’s insurance policies or sources of indemnity, contribution or other similar sources of recovery, in each case net of any related costs and expenses of the Indemnified Party, including the aggregate cost of pursuing insurance claims, incremental increases in insurance premiums or other chargebacks, legal fees, costs of investigation and other related expenses (a “Net Payment”). If an Indemnified Party receives a Net Payment after receiving payment from an Indemnifying Party with respect to the same Losses, and as a result the Indemnified Party has recovered amounts in excess of the total amount of such Losses, then the Indemnified Party shall promptly reimburse the Indemnifying Party the amount of such excess.

(d) Notwithstanding Section 10.4(a) and Section 10.4(b), the General R&W Cap and the Maximum Cap shall not apply to claims for indemnification based on Fraud.

(e) Upon final resolution of any indemnification claim by a Buyer Indemnified Party under Section 10.2(a), either by mutual agreement of the parties or pursuant to a judgment or Order from a court of competent jurisdiction, Buyer and the Seller Parties shall promptly execute a joint written instruction to the Escrow Agent directing the Escrow Agent to deliver to the Buyer the amount that the Buyer is entitled to receive as a result of the resolution of such outstanding indemnity claim.

(f) From and after the Closing Date, subject to the terms and limitations set forth in this Agreement, Seller Parent, as a primary obligor and not as a surety, hereby absolutely, unconditionally and irrevocably guarantees to Buyer the complete and prompt payment and performance of, and compliance by Seller of all of Seller’s obligations under this Agreement (the “Guaranteed Obligations”). Seller Parent acknowledges and agrees that its guaranty is full, absolute and unconditional and is in no way conditioned or contingent upon any attempt to collect from Seller, and no extension, increase, modification, amendment, waiver, consent, release or extinguishment of any Guaranteed Obligation, or other change in any Guaranteed Obligation, whether by agreement of Buyer and Seller, a decree in any bankruptcy proceeding, or otherwise,

will affect the continuing validity and enforceability of its guaranty, nor will such validity and enforceability be affected by any lack of validity or enforceability of any obligation of Seller as a result of the application of any bankruptcy, insolvency, moratorium or other similar Law relating to creditors' rights and general principles of equity to Seller. Seller Parent understands that Buyer is relying on this guarantee in entering into this Agreement. Seller Parent hereby waives, for the benefit of Buyer, to the fullest extent permitted by applicable Law, any defenses or benefits that may be derived from or afforded by Law that limit the liability of or exonerate guarantors or sureties, including those which would otherwise require any election of remedies by Buyer (other than payment of the applicable Guaranteed Obligations), and further waives any notice (including notice of acceptance or nonpayment), presentment, demand, performance, protest, suit or other action as the same pertains to Seller or any of the applicable Guaranteed Obligations, or any right to require Buyer to proceed against Seller or to pursue any other remedy with respect to any of the applicable Guaranteed Obligations. Seller Parent shall not transfer or assign, in whole or in part, any of its obligations under this Section 10.4(f).

(g) On or before the Business Day after the twelve (12)-month anniversary of the Closing Date (the "Release Date"), Buyer shall notify Seller in writing of the amount of all claims made by the Buyer Indemnified Parties pursuant to this Article X that have been validly asserted pursuant to Claim Notices delivered to Seller on or prior to the Release Date, but not fully and finally resolved prior to such date in accordance with this Article X (such unresolved claims being referred to as the "Unresolved Claims") and such aggregate amount being referred to as the "Unresolved Claims Amount"). Promptly after the Release Date, Buyer and Seller shall jointly instruct the Escrow Agent to release to Seller from the Escrow Fund in accordance with the Escrow Agreement the portion of the Escrow Fund, if any, in excess of the sum of (i) the amount, if any, that Buyer and Seller have instructed the Escrow Agent to disburse from the Escrow Account that has not actually been disbursed as of such date, and (ii) the Unresolved Claims Amount as of the Release Date.

(h) Following the release from the Escrow Fund in Section 10.4(g), if any Unresolved Claim is finally resolved, then Buyer and Seller shall, within ten (10) Business Days after the final resolution of such Unresolved Claim and the delivery to the Buyer Indemnified Party of the amount to be delivered to the Buyer Indemnified Party from the Escrow Fund (and/or directly from Seller, as applicable) pursuant to this Article X, Buyer and Seller shall jointly instruct the Escrow Agent to disburse from the Escrow Account to Seller, the portion of the Unresolved Claims Amount retained in the Escrow Account in respect of such Unresolved Claim in excess of the amount determined to constitute Losses with respect to Unresolved Claim, if any; provided that in no event shall the aggregate amount disbursed to Seller with respect to any Unresolved Claim exceed the amount, if any, that Buyer and Seller have instructed the Escrow Agent to disburse from the Escrow Account but that has not actually been disbursed as of such date; provided, further that, to the extent that any such release to Seller would result in the Escrow Fund at such time not being sufficient with respect to all other Unresolved Claims, if any, then the Escrow Agent shall continue to retain the portion of the Escrow Deposit as Buyer reasonably determines in good faith may be the maximum amount payable to any Buyer Indemnified Party under the terms of this Article X in respect of any such Unresolved Claims until resolution thereof. The procedures set forth in this Section 10.4(h) shall be reiterated for each Unresolved Claim until all amounts in the Escrow Fund have either been paid to the Buyer Indemnified Parties or released to Seller.

(i) Any Indemnified Party that becomes aware of any Losses for which it seeks indemnification hereunder shall be required to use commercially reasonable efforts to mitigate such Losses consistent with the common law doctrine of mitigation of damages and an Indemnifying Party shall not be liable for any Losses to the extent that it is attributable to the Indemnified Party's failure to so mitigate; provided that an Indemnified Party's obligation to mitigate shall not include any obligation or requirement that such Indemnified Party or any of his, her or its Affiliates assume or incur any liability.

10.5 Exclusive Remedy. The parties agree that following the Closing the indemnification obligations of the parties set forth in this Article X shall constitute the sole and exclusive remedies of the parties for any Losses based upon, arising out of or otherwise in respect of the matters set forth in this Agreement, the Ancillary Agreements and the transactions contemplated hereby and thereby. Notwithstanding the foregoing, the provisions of this Section 10.5 will not, however, prevent, limit or effect a cause of action (i) for Fraud or willful breach or (ii) to obtain an injunction or injunctions to prevent breaches of any covenants set forth in this Agreement or the Ancillary Agreements and to enforce specifically the terms and provisions hereof and thereof.

10.6 Tax Treatment of Indemnity Payments. Seller and Buyer agree to treat any indemnification payment made pursuant to this Article X as an adjustment to the purchase price for all income tax purposes.

ARTICLE XI

A party may change the address to which notices are to be addressed by giving the other party notice in the manner herein set forth.

11.4 Assignment. Subject to the immediately following sentence, this Agreement will be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, each of which such successors and permitted assigns will be deemed to be a party hereto for all purposes hereof. No party may assign, delegate or otherwise transfer either this Agreement or any of its rights, interests, or obligations hereunder without the prior written approval of the other parties; provided, however, that Buyer may, without such consent, assign any or all of its rights and interests hereunder to one or more of its Affiliates so long as Buyer is not relieved of any Liability hereunder. Any purported assignment in violation of the foregoing is void. This Agreement is for the sole benefit of the parties and their respective successors and permitted assignees and nothing herein expressed or implied will give or be construed to give any Person, other than the parties and their respective successors and permitted assignees and any Indemnified Party under Article X, any legal or equitable rights hereunder.

11.5 Entire Agreement. This Agreement (including the Disclosure Schedules and any Schedule or Exhibit hereto or thereto), the Confidentiality Agreement, the Ancillary Agreements and any documents, instrument and certificates explicitly referred to herein, constitute the entire agreement and understanding of the parties with respect to the subject matter hereby and thereby and supersede all prior written or oral commitments, negotiations, proposals, arrangements or understandings with respect hereto and thereto (other than the Confidentiality Agreement, which will terminate at the Closing but survive any termination of this Agreement).

11.6 Amendment; Waiver. No amendment or waiver of any provision of this Agreement will be valid and binding unless it is in writing and signed, in the case of an amendment, by Buyer, Seller Parent and Seller or in the case of a waiver, by the party against whom the waiver is to be effective. No waiver by any party of any breach or violation or, default under any representation, warranty or covenant hereunder, whether intentional or not, will be deemed to extend to any prior or subsequent breach, violation, default of any such representation, warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence. No delay or omission on the part of any party in exercising any right, power or remedy under this Agreement will operate as a waiver thereof. Notwithstanding the foregoing, during the Interim Period, and with respect to Schedule 5.1(a) (*Scheduled Employees*), Schedule 5.1(g) (*Retention Employees*) and Schedule 4.5(c) (*Nonassignable TSA Items*) during the Interim Period and the TSA Term, Buyer shall have the right, with Seller's consent (not to be unreasonably withheld, conditioned or delayed), to update Schedule A (*Purchased Assets*), Schedule B (*Excluded Assets*), Schedule 4.5(c) (*Nonassignable TSA Items*), Schedule 5.1(a) (*Scheduled Employees*), Schedule 5.1(g) (*Retention Employees*) and Schedule 7.7 (*Third Party Consents*) and any such update shall be deemed to have amended such schedule, as of the date of such amendment, for all purposes hereunder without any additional action from any party; provided, that, notwithstanding the foregoing, no update to Schedule 5.1(g) (*Retention Employees*) shall result in the Total Retention Amount exceeding the Total Retention Amount as of the Agreement Date.

11.7 Counterparts. This Agreement may be executed in one or more counterparts, all of which will be considered one and the same agreement and each of which will be deemed an original. This Agreement will become effective when duly executed by each party hereto.

11.8 Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.

(a) Governing Law. This Agreement, the rights of the parties and all Actions arising in whole or in part under or in connection herewith, shall be governed by and construed in accordance with the Laws of the State of Delaware, without giving effect to any choice or conflict of law provision or rule that would cause the application of the Laws of any other jurisdiction other than those of the State of Delaware.

(b) Jurisdiction. Any proceeding arising out of or relating to this Agreement shall be brought in the Delaware Court of Chancery within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any court of the United States located in the State of Delaware, or, if any such court of the United States located in the State of Delaware declines to accept jurisdiction over a particular matter, any state court located in the State of Delaware), and each of the parties irrevocably submits to the non-exclusive jurisdiction of each such court in any such proceeding and waives any objection it may now or

hereafter have to venue or to convenience of forum. The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and bargained agreement between the parties irrevocably to waive any objections to venue or to convenience of forum.

(c) Service of Process. Each party hereby (i) consents to service of process in any Action between the parties arising in whole or in part under or in connection with this Agreement in any manner permitted by Delaware Law, (ii) agrees that service of process made in accordance with clause (i) or made by registered or certified mail, return receipt requested, at its address specified pursuant to Section 11.3, will constitute good and valid service of process in any such Action and (iii) waives and agrees not to assert (by way of motion, as a defense, or otherwise) in any such Action any claim that service of process made in accordance with clause (i) or (ii) does not constitute good and valid service of process.

11.9 Specific Performance. Each of the parties acknowledges and agrees that the other parties would be damaged irreparably in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached or violated. Accordingly, each of the parties agrees that, without posting bond or other undertaking, the other parties will be entitled to seek an injunction or injunctions to prevent breaches or violations of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof in any Action instituted in any court of the United States or any state thereof having jurisdiction over the parties and the matter in addition to any other remedy to which it may be entitled, at law or in equity. Each party further agrees that, in the event of any action for specific performance in respect of such breach or violation, it will not assert that the defense that a remedy at law would be adequate.

11.10 Interpretation; Absence of Presumption.

(a) For the purposes of this Agreement, (i) words in the singular shall be held to include the plural and vice versa, (ii) the terms “hereof”, “herein”, and “herewith” and words of similar import shall, unless otherwise stated, be construed to refer to this Agreement as a whole (including all of the Schedules and Exhibits and the Disclosure Schedules) and not to any particular provision of this Agreement, and Article, Section, Exhibit and Schedule references are to the Articles, Sections, Exhibits, and Schedules to this Agreement or the Disclosure Schedules unless otherwise specified, (iii) except where the context otherwise requires, references to a “party” or “parties” means Buyer, Seller or Seller Parent, or any of them as the context requires, (iv) the word “including” and words of similar import when used in this Agreement means “including, without limitation,” unless the context otherwise requires or unless otherwise specified, (v) the word “or” shall not be exclusive, (vi) unless otherwise qualified, all references in this Agreement that provide that information, documents or materials have been “made available to Buyer”, “delivered to Buyer” or “provided to Buyer,” and phrases of similar import, means that such information, document or material was made available for Buyer’s review in the Dataroom, prior to 11:59 P.M. Eastern Time at least one (1) Business Day prior to the Agreement Date, and (vii) the terms “dollars” and “\$” means dollars of the United States of America.

(b) With regard to each and every term and condition of this Agreement and any and all agreements and instruments subject to the terms of this Agreement, the parties understand
