**Item 1.01. Entry into a Material Definitive Agreement.**

On August 16, 2017, OPKO Health, Inc. (the “Company”), entered into a Commitment Letter (the “Commitment Letter”) with Veterans Accountable Care Group, LLC (“VACG”) in connection with submission of a bid by its affiliate, the Veterans Accountable Care Organization, LLC (“VACO”) in response to a request for proposal (“RFP”) from the Veterans Health Administration (“VA”) regarding its Community Care Network. If VACO is successful in its bid, the Company will acquire a fifteen percent (15%) membership interest in VACO. In addition, BioReference Laboratories will provide laboratory services for the Community Care Network, a region which currently includes approximately 2,133,000 veterans in the states of Massachusetts, Maine, New Hampshire, Vermont, New York, Pennsylvania, New Jersey, Rhode Island, Connecticut, Maryland, Virginia, West Virginia, and North Carolina.

Pursuant to the Commitment Letter, the Company committed to provide, or to arrange from a third party lender, a line of credit for VACG in the amount of \$50,000,000 (the “Facility”). Funds drawn under the Facility would be contributed by VACG to VACO in order to satisfy the financial stability requirement of VACO in connection with its submission of the RFP. VACG would not be permitted to draw down on the Facility unless and until the VHA awards a contract to VACO. The Facility would have a maturity of five (5) years. Interest on the Facility would be payable at a rate equal to six and one-half percent (6.5%) per annum, payable quarterly in arrears.

The Company currently anticipates that a decision by the VHA with respect to the RFP will occur during the fourth quarter of 2017, although there can be no assurance that a decision will be made by such time or that, if made, such decision will not be challenged by participants in the RFP process or otherwise.

The Facility is subject to the negotiation of definitive documentation conditions customary for transactions of such type and otherwise acceptable to VACG and the lender under the Facility.
